1981 GOLDEN MEMORIES

Decatur High School

Decatur, Alabama

Volume 57

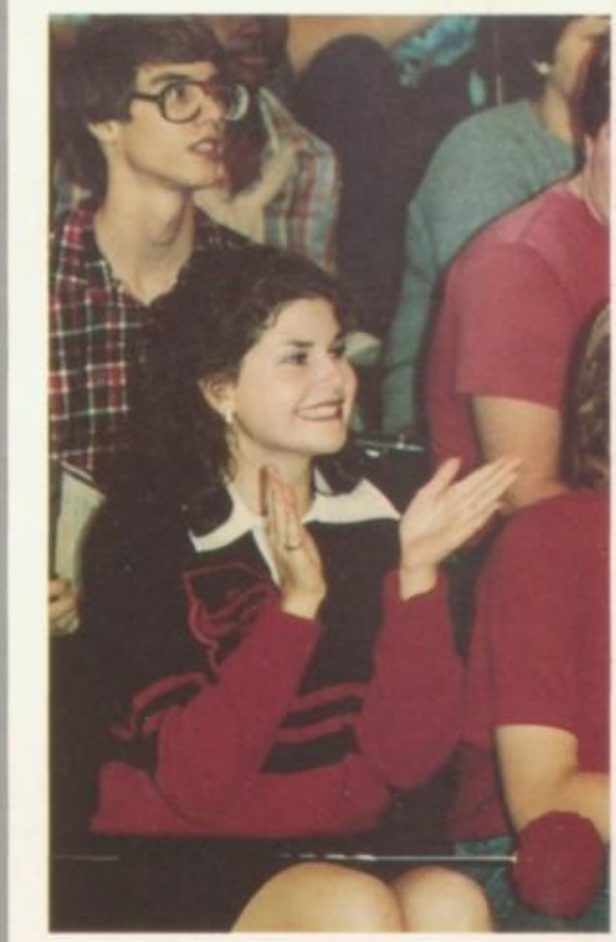
Good Morning Yesterday

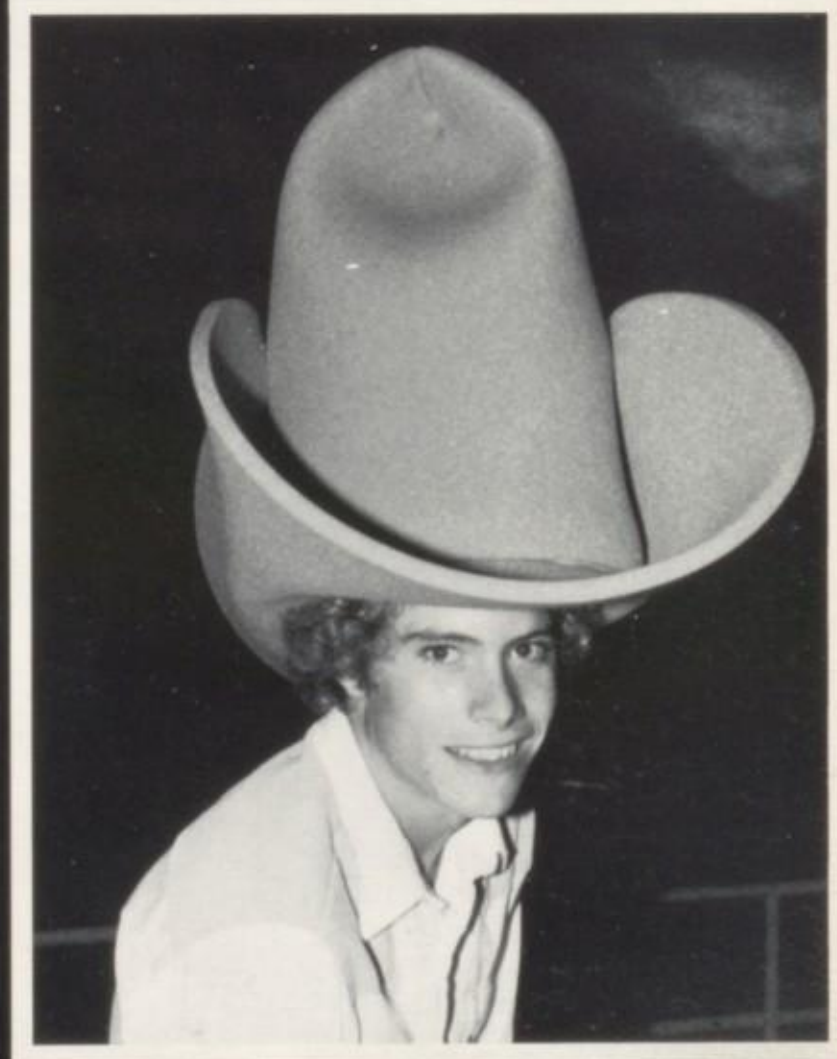
You wake up and

time has slipped away

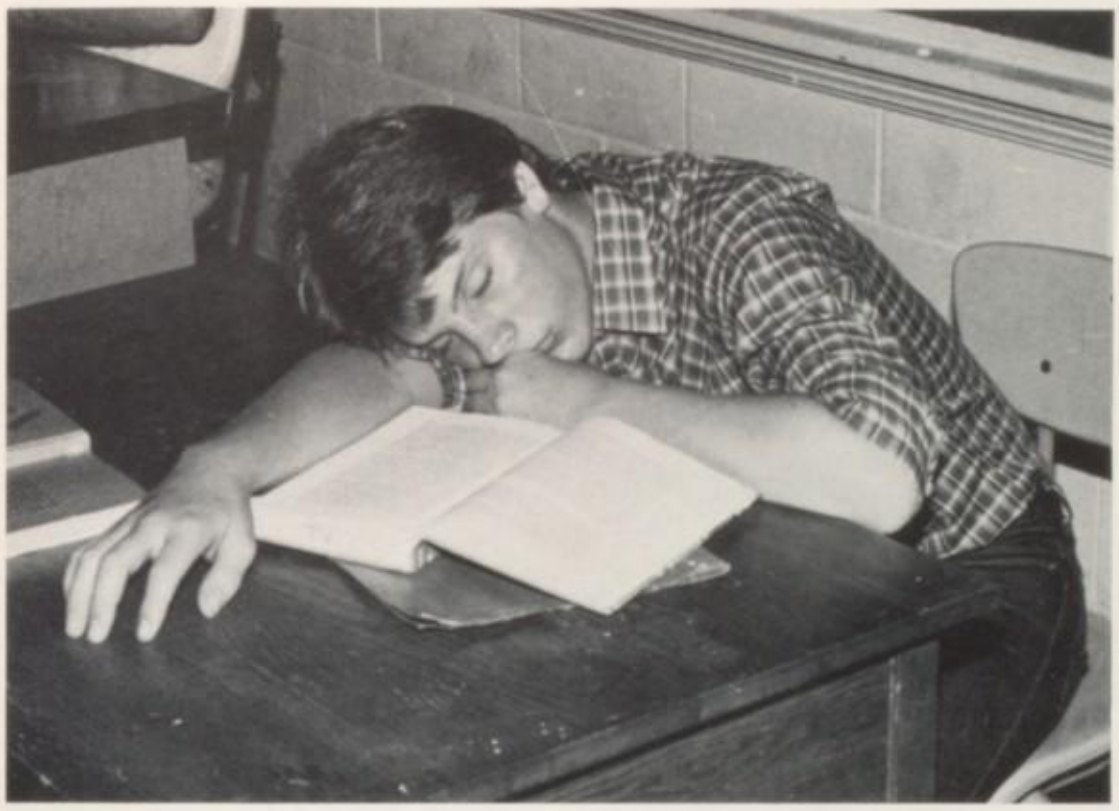
and suddenly it's hard to find
the memories you left behind, remember.

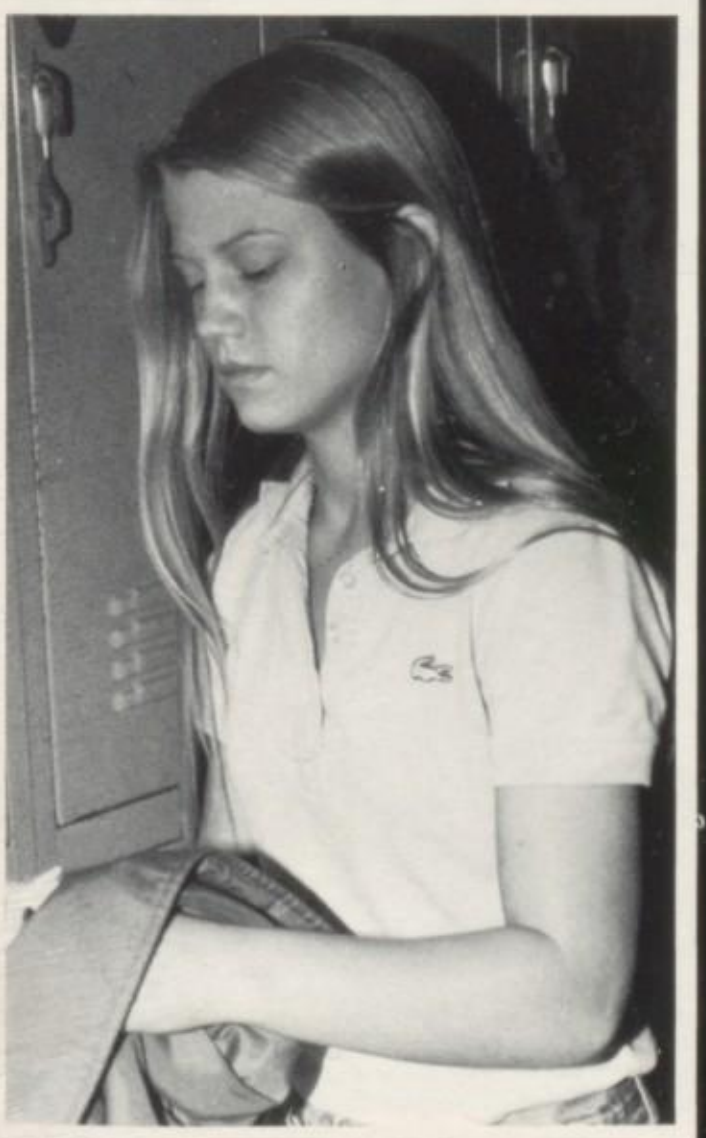
Do you remember
the laughter and the tears,
the shadows of misty yesteryears?



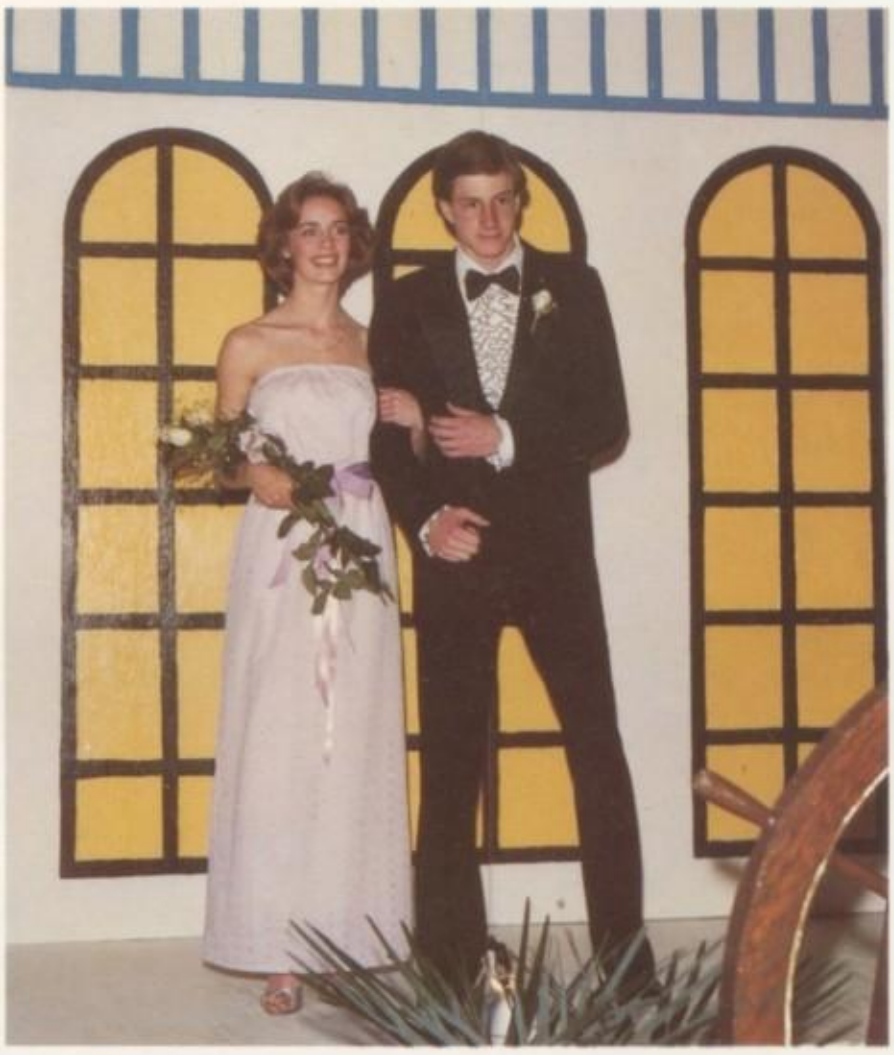


The good times and the bad you've seen
and all the others in between,



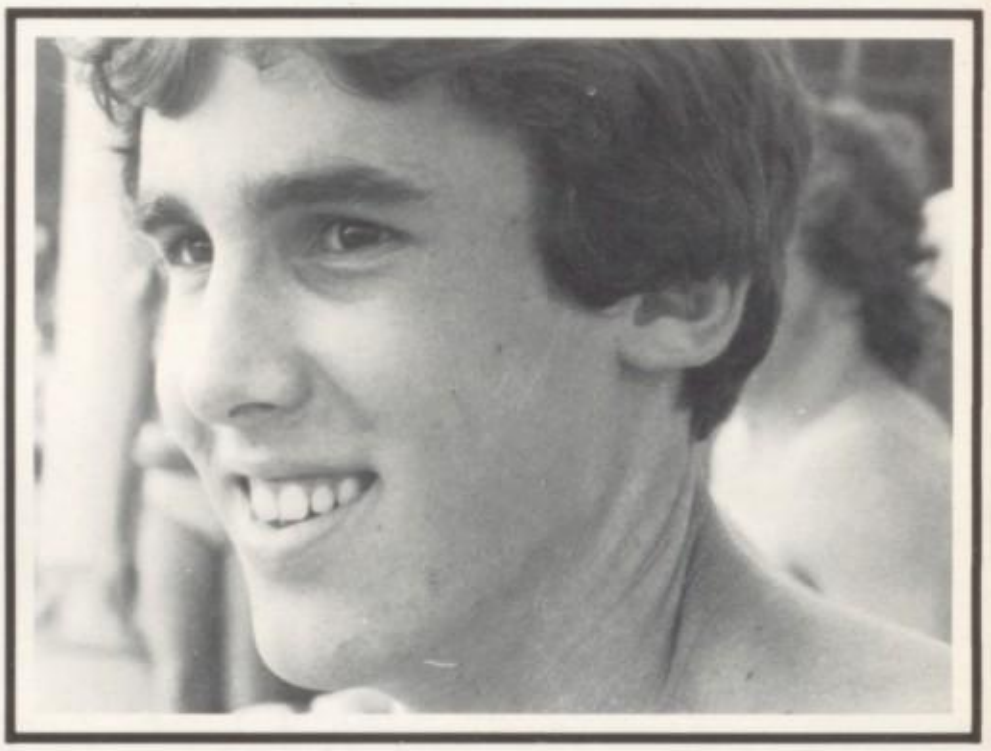


remember . . .



Do you remember the times of your life?

Reach back for the joy and the sorrow,
put them away in your mind,
for memories are times that you borrow
to spend when you get to tomorrow.



Here comes the setting sun,
the seasons are passing
one by one,
so gather moments
while you may,
Collect the dreams
you dream today,
remember.
Will you remember
THE TIMES OF YOUR LIFE.

FACULTY PROFILE

Teachers . . . you saw them 175 days during the year, but did you really know them? For instance, did you know that they each average 9 years of teaching at Decatur High? And they're smart . . . 60 percent have degrees beyond the Bachelor's degree. They're involved: 36 percent enjoy sewing activities while as much as 42 percent enjoy reading in their spare time. Can you believe that one member of our faculty even sky dives? Thirty percent of the faculty attended the University of Alabama, 17 percent attended Athens College, but only 7 percent went to Auburn. The remaining 46 percent went to various other colleges. Who could say we're not lucky to have such an established staff at Decatur High?

AFTER

We all know the teachers and what they're like in school . . . but did you ever stop to think about what they do after that three o'clock bell rings? . . .

"A principal's work is never done."

"Being a Counselor at DHS isn't so bad . . . "

"May I help you?"

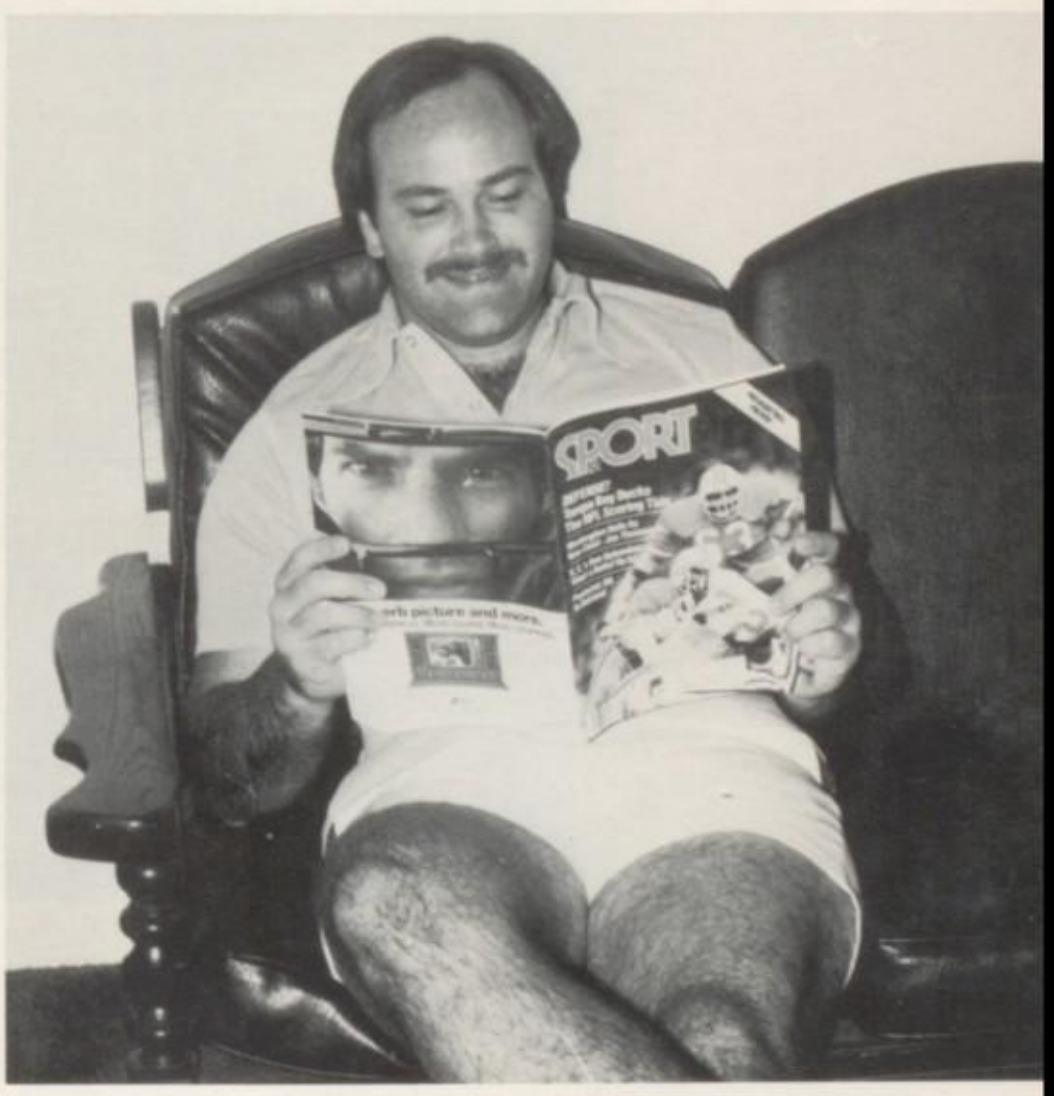
"Just wait till you taste it!"

SCHOOL

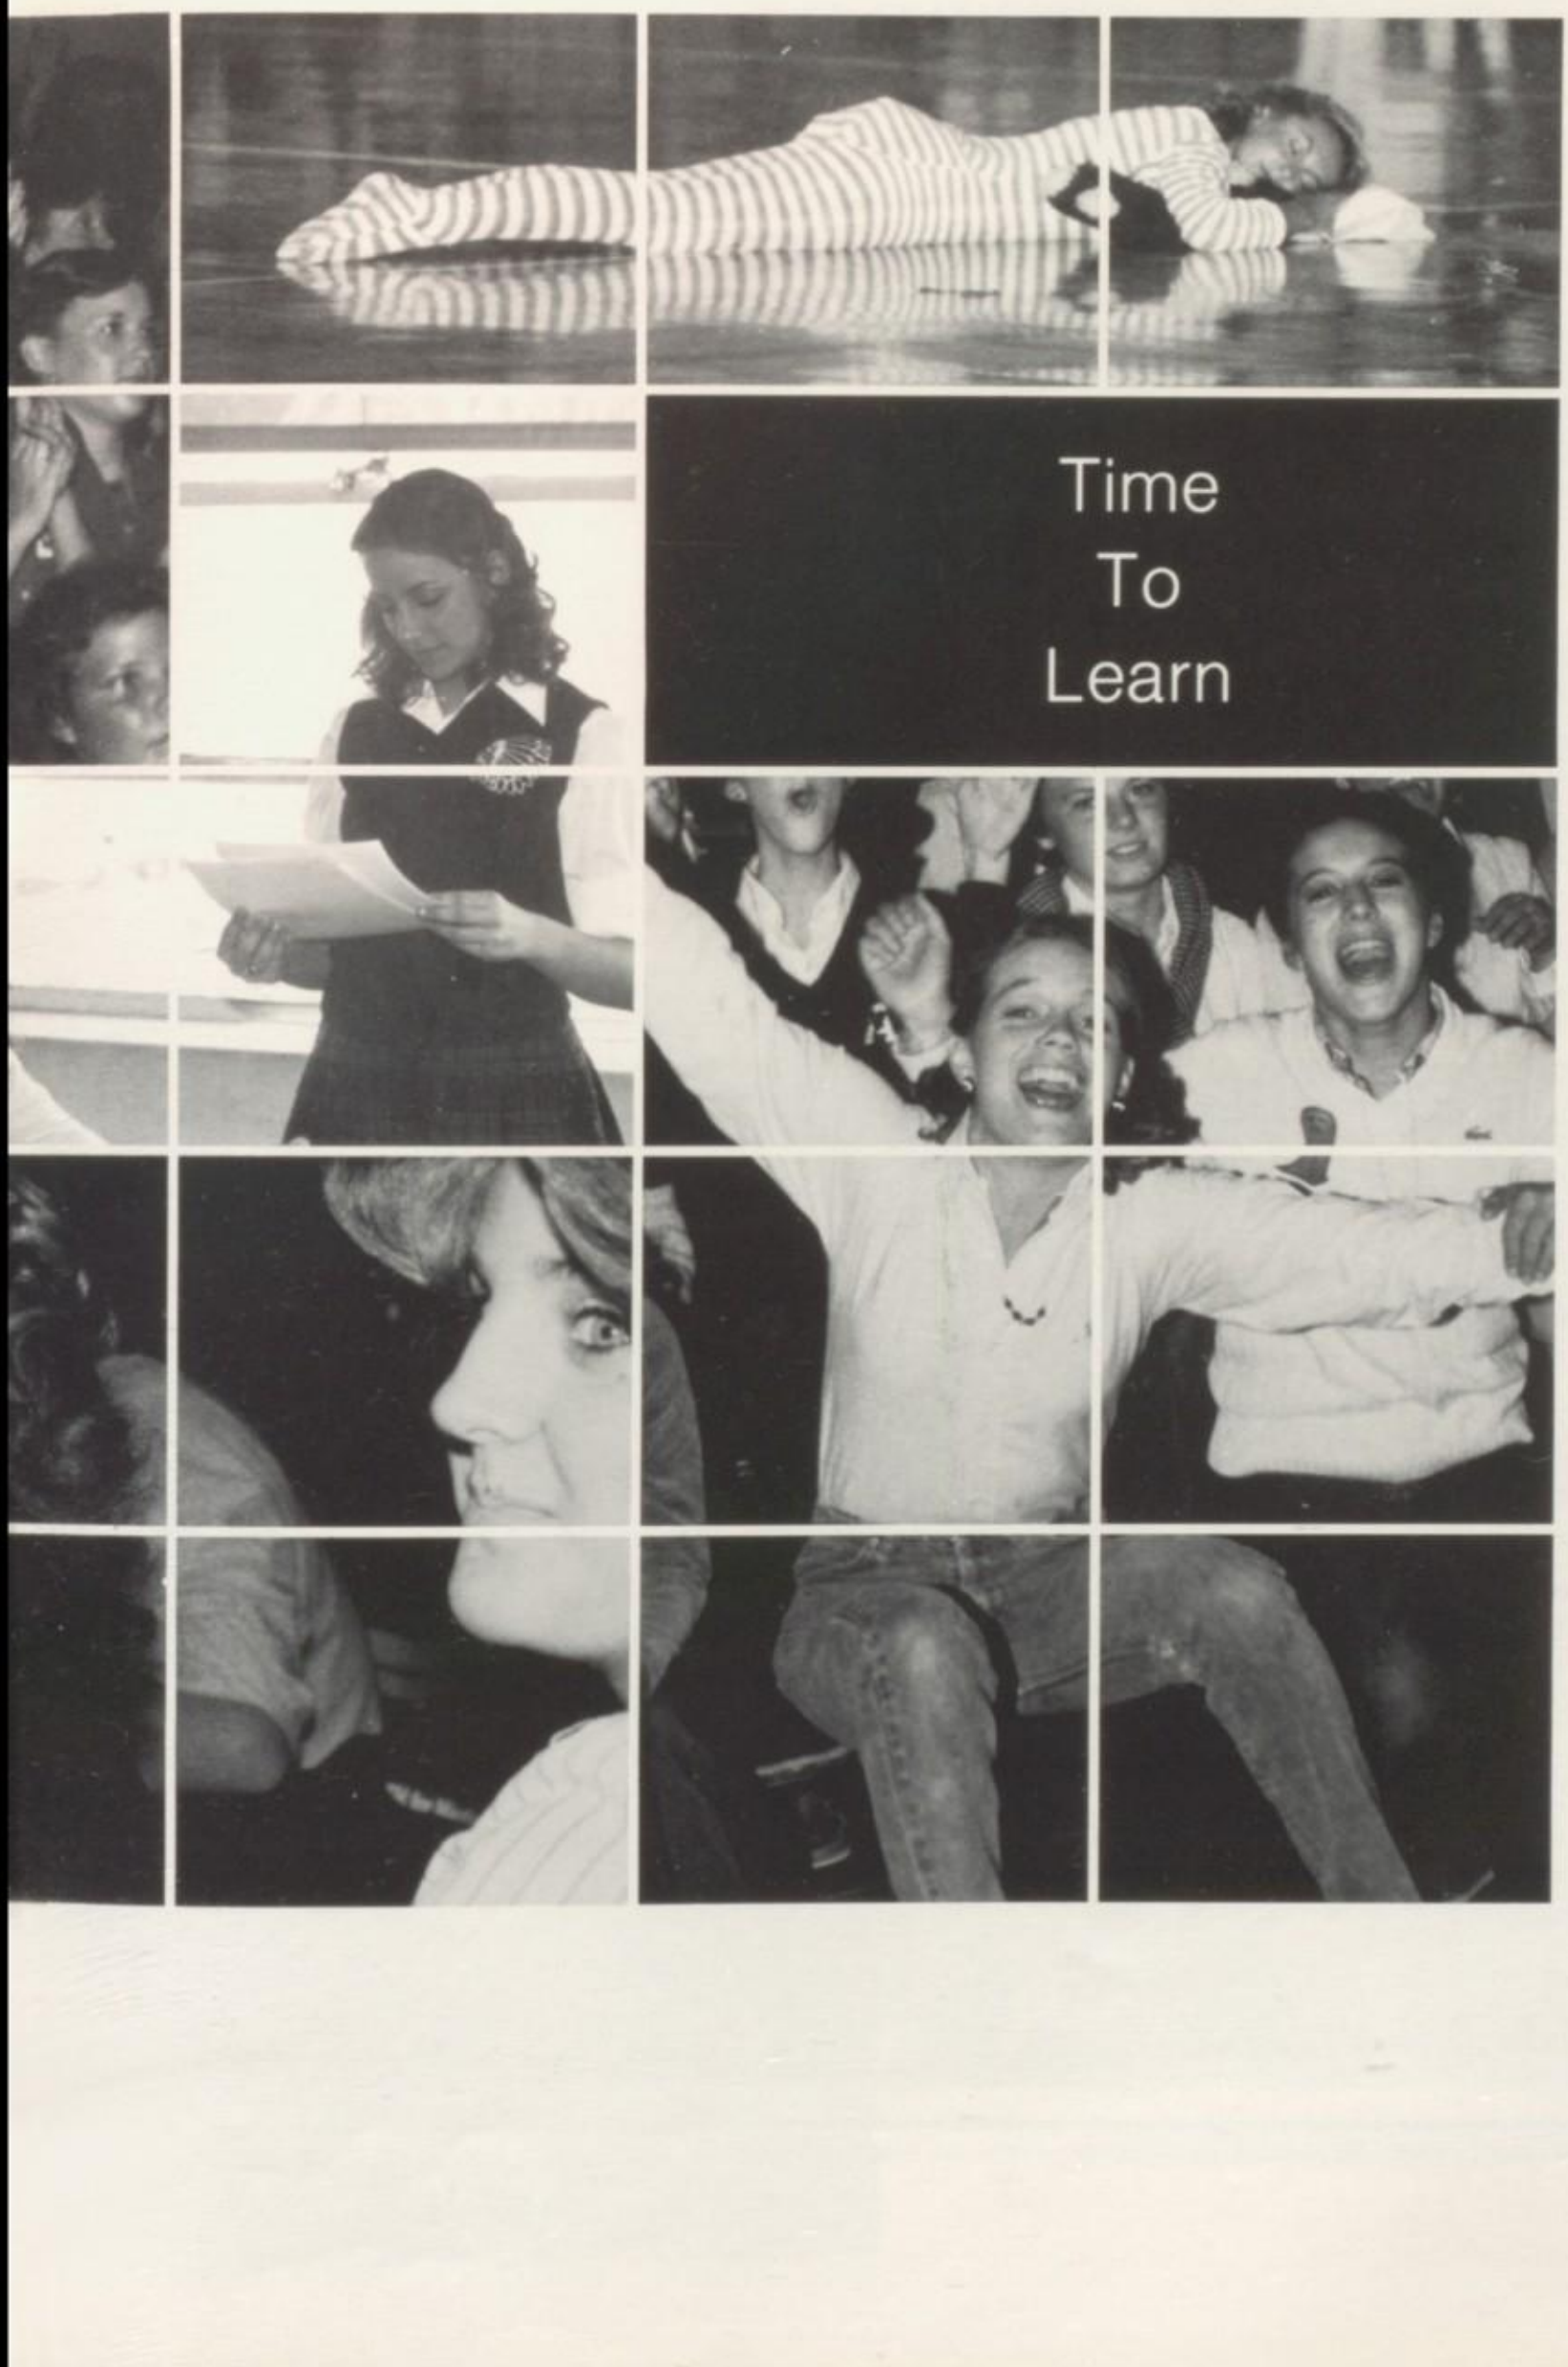
"May I introduce you to Tut and Tibby?"

"Yeah, counselors have dirty dishes, too!"

"All this can be yours for only . . . "



"I'm just a quarterback at heart . . . "



Time To Learn

SENIORS

Suddenly, this year is upon us.
We're here.
It's everything we expected
And sometimes more than we can handle.
Looking back, we found
Time to make new friends,
Time to accept responsibilities,
Time to realize our individuality.
Learning from our past,
We look ahead to tomorrow.

In Memoriam

Nancy Carolyn Thrasher
1963-1980

Life is eternal;
Love is immortal;
Death is only a horizon;
and a horizon is nothing save the limit of our sight.
Rossiter Worthington Raymond

Nancy Thrasher passed the limit of our sight on April 19, 1980, from injuries sustained from an automobile accident. Even though she is gone, our memories of her gentle and sincere disposition will always remain in our hearts.

Juniors

As Juniors, we began to understand
The true meaning of class spirit.
With a sense of unity, we were involved with
Ordering class rings,
Selling magazines,
Presenting the Seniors with a memorable evening.
After spending the past three years together,
We anticipate a challenging Senior year.

Juniors at their best . . .

SOPHOMORES

Unlike last year, we entered our sophomore year
with confidence.
The names and faces of our peers
became familiar to us.
The year was full of enjoyment, as we
learned to drive,
participated in the Blood Drive,
constructed our Homecoming float with certainty.
The assurance we have gained
will help us to become upperclassmen

FRESHMEN

We started this unforgettable year
Enjoying all the new privileges
That come with being a Freshman at D.H.S.
We'll never forget that first day
With the feeling of being
Lost and all alone.
As the year passed, we learned
How to take exams,
How to adjust to bells,
How to build a float.
Strangers have turned to acquaintances and
Acquaintances have turned to friends.

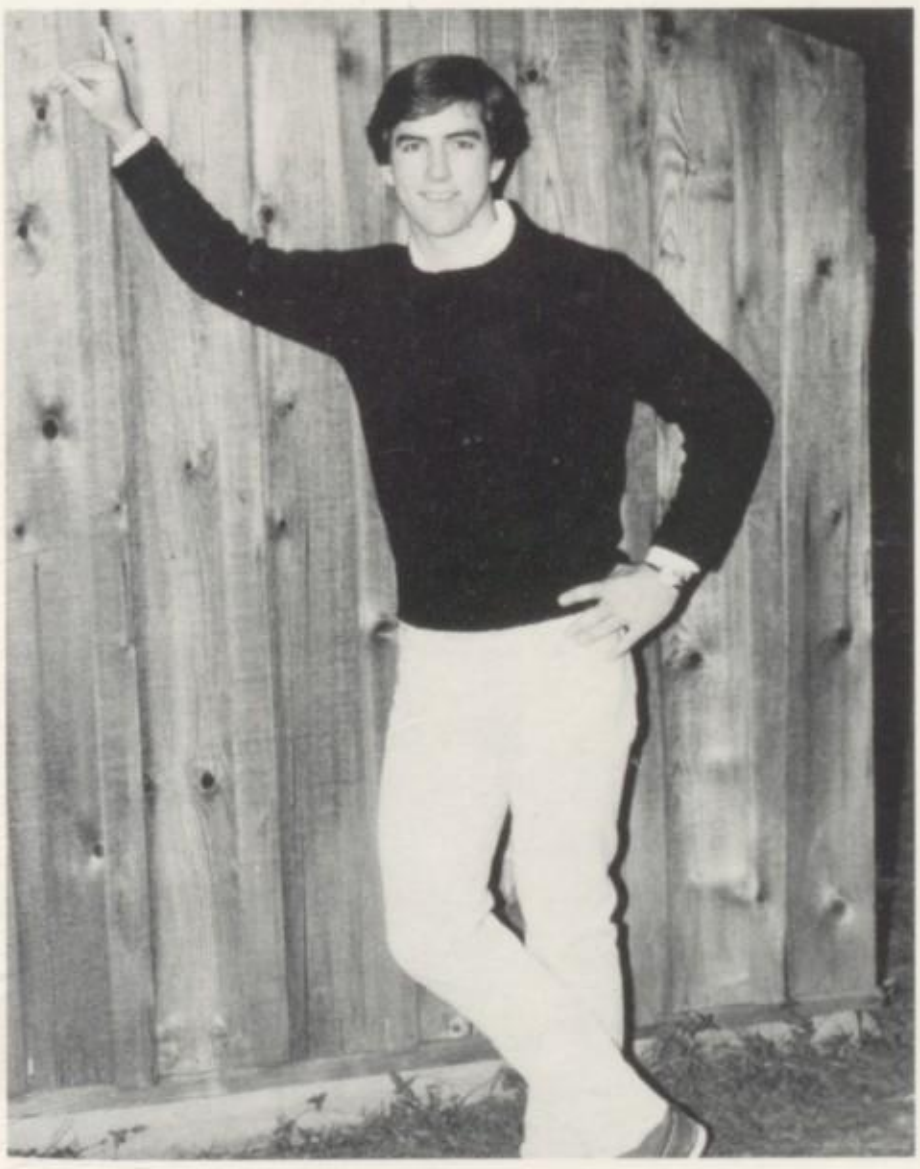
Time to Choose

MR. AND MISS DECATUR HIGH SCHOOL

The hard work, dependability, and pleasant attitude of BESS UNDERWOOD have made her everyone's favorite. Throughout her four year, Bess has served as class favorite, homecoming attendant, Student Council representative, cheerleader, and class officer. Bess has certainly been an asset to Decatur High School and is a perfect choice for our ideal miss.

Well-liked and easy to get along with, JAY ROBERSON makes the perfect choice for Mr. DHS. Jay has participated and been successful in many sports; he is currently a member of the football, basketball, and baseball teams. Jay was also selected class favorite his junior and freshman years and is currently a member of Key Club and FHA. Best all around, Jay is a deserving selection for this honor.



1980 Homecoming Queen

Spirited and vivacious, TINA STINSON was chosen this year as our Homecoming Queen 1981. Tina has shown her support of our school by being a Junior, B-Team, and Varsity Cheerleader. She is also an active member of the Concert Chorus and an office assistant. Tina's bright smile and warm personality made Homecoming a special event.

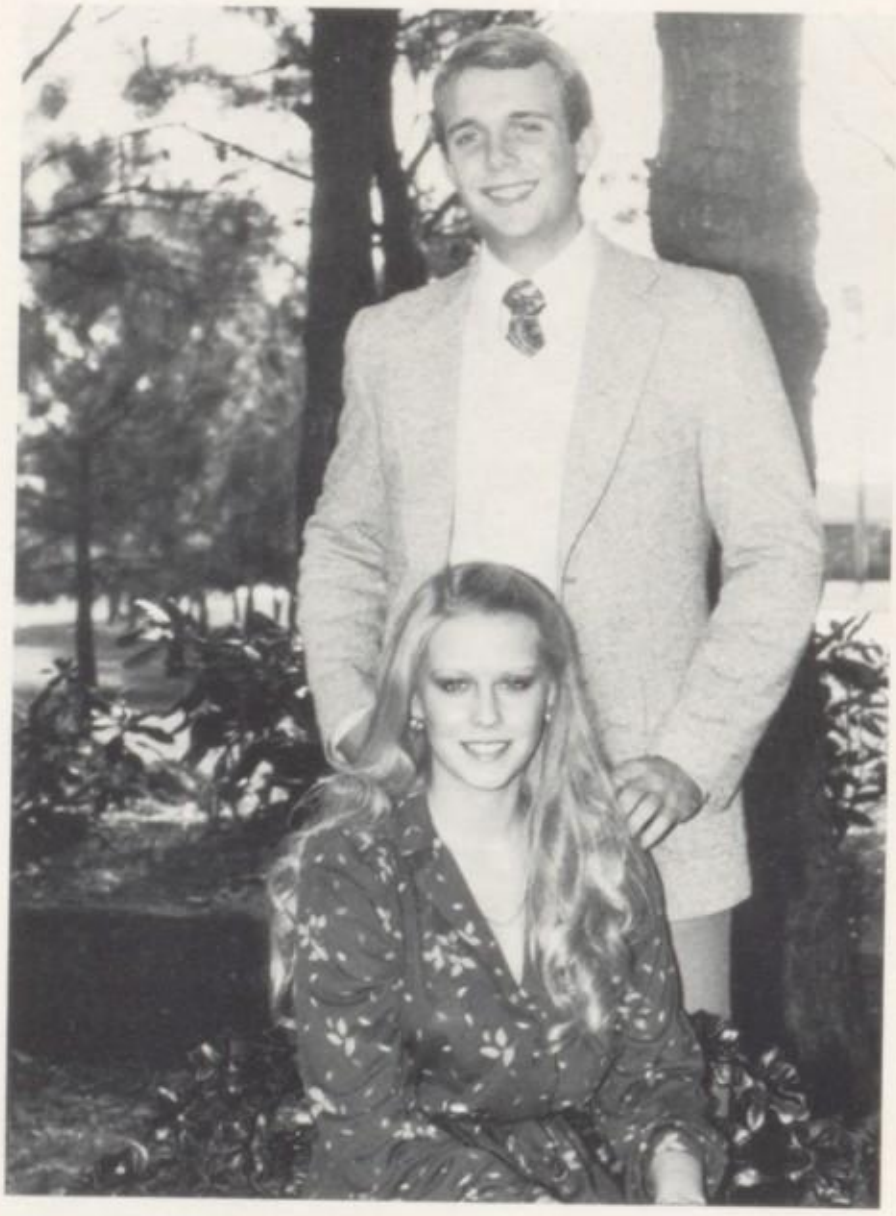
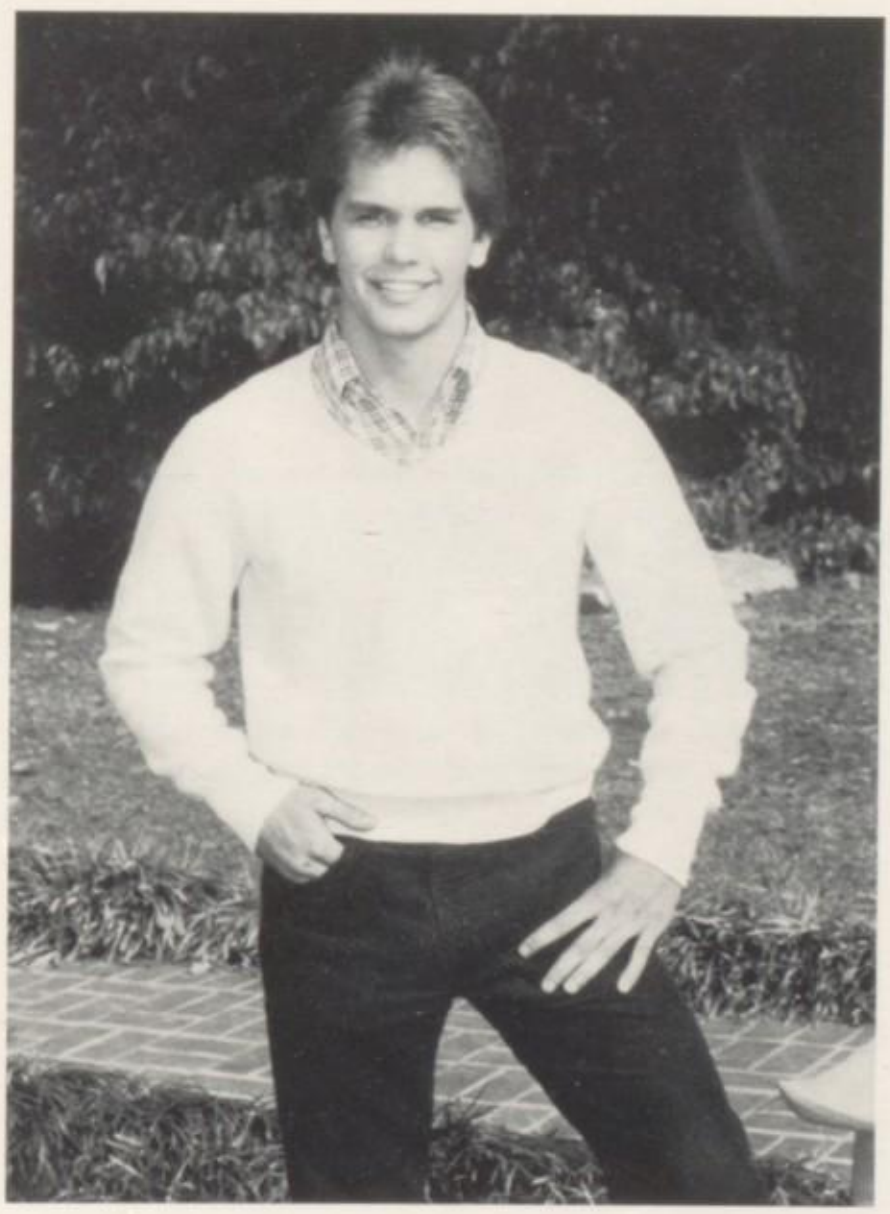
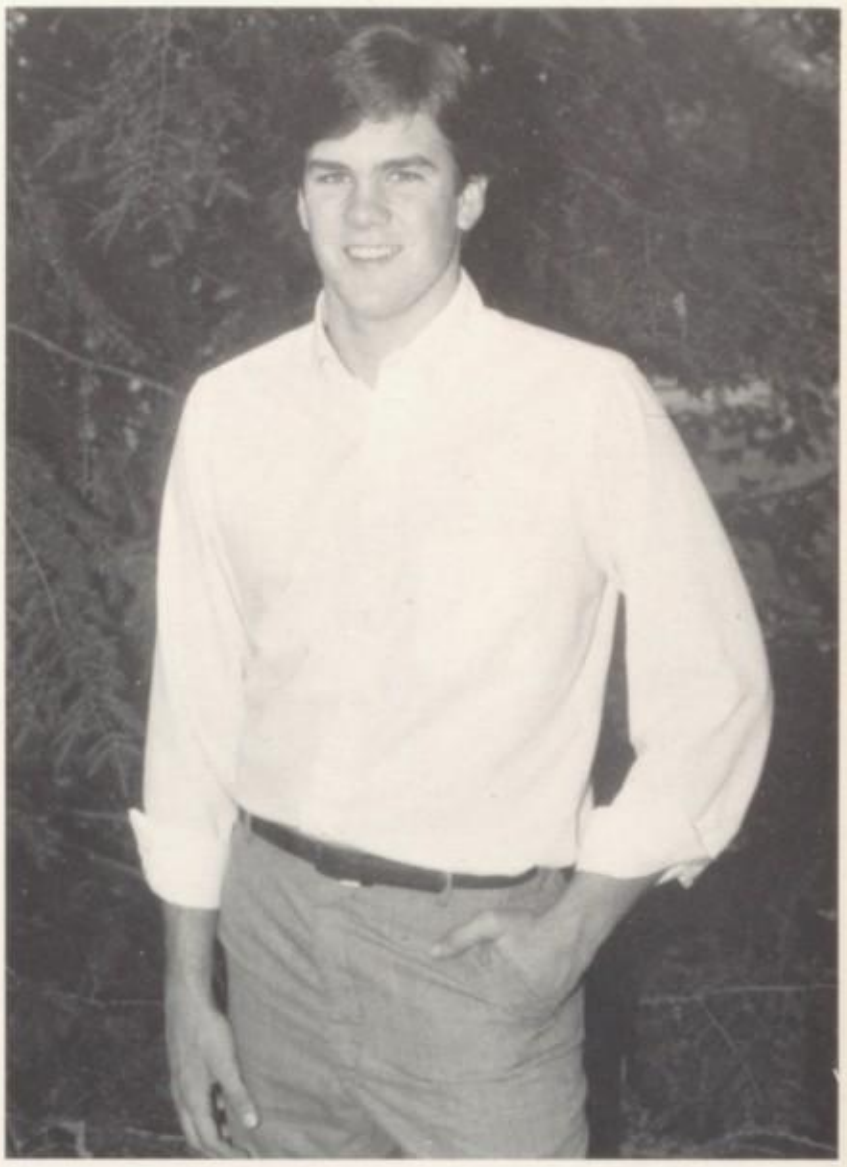
Senior Favorites

JENNIFER MISNER and TIM BOUNDS are two congenial members of the Senior Class. Both are fun to work with and are always ready to help. Tim was actively involved in the construction of the homecoming float and helped tremendously in making this year's Blood Drive a success. Jennifer's hard work also helped us in reaching our goal of 1010 pints.



JULIE GRAGG and JEFF HYDE are always ready with a cheerful smile and a friendly "hello." Julie, a member of the Concert Chorus, gave a stunning performance in MY FAIR LADY last spring. This year, Julie represented the seniors as Homecoming Attendant and was selected as Key Club's Miss January. Jeff's involvement in school activities has been varied this year; he worked on the Blood Drive, participated on the track team, and is currently a member of "D" club. Julie and Jeff are certainly favorites with everyone.





LAURA HORTON and KEITH BAIN are very active members of the Senior Class. Keith has been the President of his class for four years. This year he served as chairman of our Blood Drive. Laura has represented her class as Vice-President and as Varsity Cheerleader. Keith and Laura have unselfishly given of themselves throughout their four years at DHS.

Two truly outstanding members of the Senior Class are MARY ALLEN HAMILTON and JOHN FLOYD. They both excel academically and musically — both are members of the National Honor Society and are active in chorus activities. John's talent was evident by his performance in *MY FAIR LADY* as Freddie. This year Mary Allen is ranked as the number one seed of the girls' tennis team.

Girls' and Boys' State Representatives

Rebecca Stover, Tim Bounds, and Keith Bain were selected by the faculty on the basis of their achievements in leadership, character, scholarship, service, and cooperativeness to attend Girls' and Boys' State. Sponsored by the American Legion, these programs provide high school students with an opportunity to participate in the functioning of government.

DAR Good Citizen

The DAR Good Citizen for 1981, sponsored by the Stevens Chapter of the Daughters of the American Revolution, is Mary Allen Hamilton. Mary Allen was chosen on the qualities of patriotism, dependability, leadership, and service.

Blood Drive Chairmen

This year the selection of Rebecca Stover as Chairman and Keith Bain as Co-Chairman were the main factors in making the 1980 Blood Drive a success. Their efforts of hard work, careful planning, and tedious organizing contributed to our surpassing the goal of 1010 pints. Bob Rankin was selected as Honorary Chairman. Although Bob was not directly involved in the pre-planning stages of the drive, his presence on that record-breaking day encouraged everyone there.

National Merit Scholarship Semi-Finalists

Approximately one million high school juniors each year take the PSAT/NMSQT. The National Merit Scholarship Corporation uses the scores from this test to determine the top half one percent of the nation's rising seniors; these students are named National Merit Semi-Finalists and are eligible to become Finalists and to compete for scholarships. We congratulate Decatur High's four outstanding seniors on this honor.

"The Times of Your Life" is the theme for this year's volume of GOLDEN MEMORIES. This past year has been full of laughter, good times, celebrations, and happiness; but it also brought some tears and all of us have experienced the pain of growing up. The memories of what will be our yesteryears are being put away now, and new horizons are visible ahead. As we reach out toward the future, we can look back and remember the times of our lives symbolized by this book.

RAIDER'S DIGEST STAFF

The RAIDER'S DIGEST, published every third week, helps to inform the student body on school-related and extracurricular activities. Being on the staff teaches responsibility and also provides experience in business-related activities. For each issue of the paper every student is required to turn in a finished article. The article goes on to the editor for approval and finally to the publisher for printing. After completion of an issue, the staff receives the satisfaction of another successfully completed and profitable newspaper. The sponsor is Mrs. Jo Ann Harvey, Editor is Tom Counts, Assistant Editor is Gregg Harris, and Business Manager is Robert Rogers.

Student Council

Welcoming a new sponsor for the Student Council this year has been a big success for the student body. Mrs. Diane Rape took the job of sponsor and headed up the many activities of the Council.

One of the most popular Student Council activities is its annual blood drive. This year the drive exceeded its goal of 1010 pints by seventeen pints, setting an all-new record for Decatur High. The Council also held a western disco dance and sponsored another memorable Homecoming.

Majorettes and Flag Corps

Following a summer of hard practice, the D.H.S. Majorettes had a full year, marching at ballgames, marching in parades, and participating in pep rallies. This year the Decatur High Majorettes attended the Heart of Dixie Majorette Camp held at Auburn University, attending classes and workshops throughout the week. In the final competition all their hard work paid off — they brought home a blue ribbon, one of the top three honors.

Art Club

One of the most active clubs at D.H.S. is the Art Club. Through the many activities of Art Club, young artists are inspired to try to reach great goals in the field of art. The many activities in which the members participate help to train them and give them a variety of art experience. Decatur High's Art Club painted the windows of McDonald's at Halloween and Christmas. A car wash and bake sales helped to raise money for a new darkroom, which hopefully will be completed by next year. Being a member of the Art Club, sponsored by Mrs. Sanders, is a very important part of the artistic growth of these students. Officers of the Art Club are: President, Byrd Johnson; Vice-President, Kevin Keenum; Secretary, Jo Waldo; Treasurer, Lee Ann Ingram.

Key Club

Sponsored by the International Kiwanis Club, Key Club is an important club for members who like to participate in activities to help others. Members display leadership and good citizenship qualities.

The Key Club participates in several activities throughout the year. This year they held a food drive and a car wash, proceeds of which went to the Alabama Boys' Ranch. The members also sponsored a child from Lurleen B. Wallace and they collected money for the patients during the Christmas holidays.

Officers this year include Robert Wolter, President; Sidney McAnnally, Vice-President; Scott Snider, Secretary; Bart Bass, Treasurer, and Ken Looney, Incoming President. The Key Club is sponsored by Dr. David White and Mr. Jim Milner.

Latin Clubs

The Latin Clubs are organized to encourage an appreciation of the customs and language of the ancient Romans. Why study Latin and Rome? Because no other language and no other city have had so much influence upon our own culture.

Following the National Latin Convention held in August, the clubs begin their membership drive. This year they encouraged 79 Latin students to join. In October, the clubs participated in the Homecoming parade and held their annual Halloween Costume Party. For Christmas, they dressed in togas and sang Christmas carols in Latin to selected Decatur residents. A pizza party afterward crowned the event.

During the second semester, the Latin Clubs hold Valentine's Day activities and in March participate in the National Latin Exam. The State Latin Convention is held every year in April at Wheeler State Park. To end the year's activities, the Latin I Club holds a picnic with relays and games. The Latin II and Alumni Clubs attend a formal dinner.

This year Decatur High is proud to have as a member Nora Galil. Nora attended the national convention of the National Junior Classical League held in Cincinnati, Ohio, where she was elected treasurer of this organization.

The French Club was designed to introduce students to French culture. The students bring French cuisine that they have prepared to the meetings. Such mouth-watering treats as Magali and Bushe de Noel, quiches, and crepes are familiar foods. The highlight of the year is the annual trip to Birmingham. Students hear a concert by French-Canadian performers and afterwards enjoy a delicious meal at the Magic Pan, a restaurant famous for its crepes.

El Circulo Español

El Circulo Espanol, the Spanish Club at DHS, is made up of second year Spanish students. The members can be found eating regularly at one of the Mexican restaurants or having a fiesta as they did at Christmas.

Each year the exchange students from Mexico and Guatemala give an added touch of culture and valuable experience to the members in speaking Spanish.

Club members will be also participating in the National Spanish Exam at Samford University in March.

Slide presentations are shown during the year to serve as enhancement to travel opportunities open to students.

Club sponsors are Mrs. Kearns and Mrs. Lee.

Coaches, Managers and Athletic Trainer

An athletic trainer was a new addition to our football program. John Floyd traveled to U.N.A. for four days to learn the requirements of this position. As an athletic trainer, John took whatever steps necessary to prevent injuries, taped players, and cared for the injuries of players if they did occur. We would like to commend John for a job well done.

Decatur vs. Hartselle
6-19

An unfortunate loss was in store for the opening game of the 1980-1981 football season. Hartselle's offense was too much for the mighty Red Raiders to stand up against.

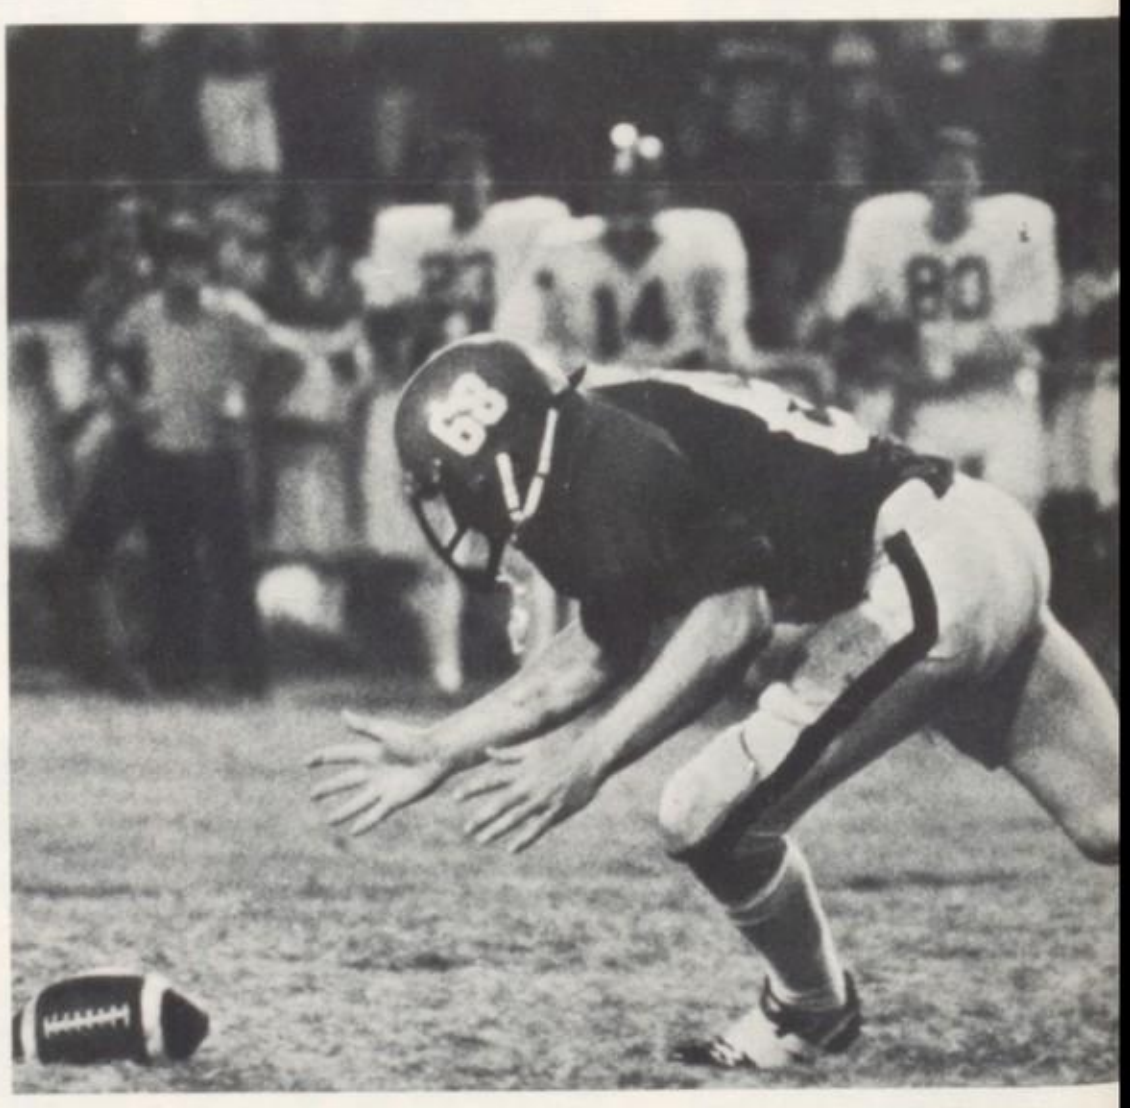
Hartselle scored the first TD and extra point of the game. With 5:42 left in the first half they managed to score again, but Wendall Walker blocked the extra point attempt leaving a 13-0 score.

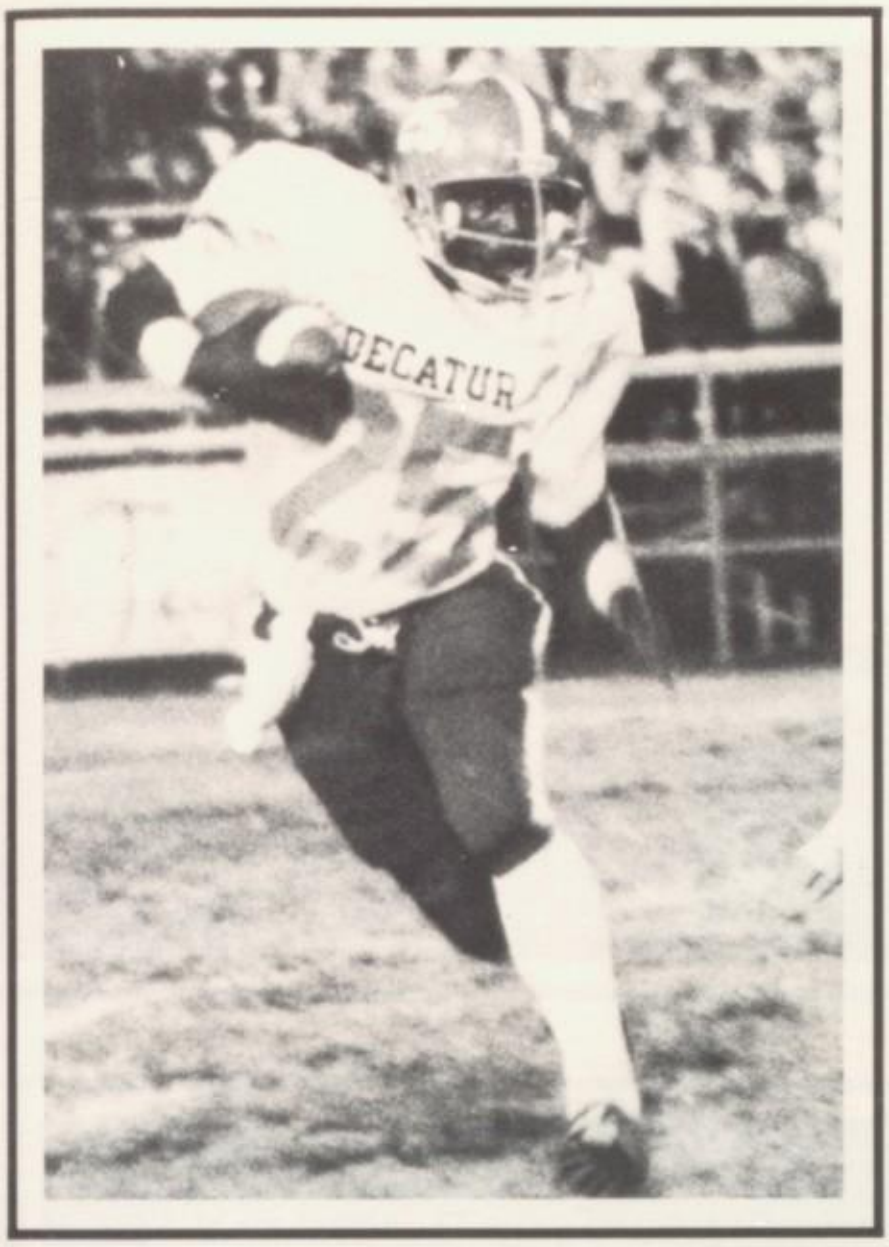
Coming back on the field, the two teams traded defensive punches until DHS got the ball with 10:32 remaining in the game. Robert Wolter ran 67 yards for the only Decatur TD, but our extra point attempt was no good. In the final minutes, the Tigers put a final six points on the board.

Decatur vs. Bradshaw
6-0

In the second game of the season, the Red Raiders resorted to the basics of football to slip past the Bradshaw Bruins. The Raiders, after forcing Bradshaw to punt, took over at the 18-yard line. Decatur then proceeded to march 82 yards in 16 plays for the game's only touchdown.

The defensive team received much of the credit, with Jay Roberson and David Taylor doing most of the damage. Roberson banged out 30 yards in our only scoring drive and Taylor added 18. Bradshaw lost its only opportunity to score when their receiver let the ball slip through his fingers. For the majority of the game, Decatur handled the line of scrimmage. Coach Webb was reported as saying, "The offense wasn't pretty but it got the job done."





Decatur vs. Athens
6-7

Defense was the name of the game at Ogle Stadium when Decatur and Athens squared off. For three and one-half quarters Athens tried everything it could offensively against Decatur's tough defense and had no score to show for it. Though their offense could do little right, the Eagles' defense kept them in the game.

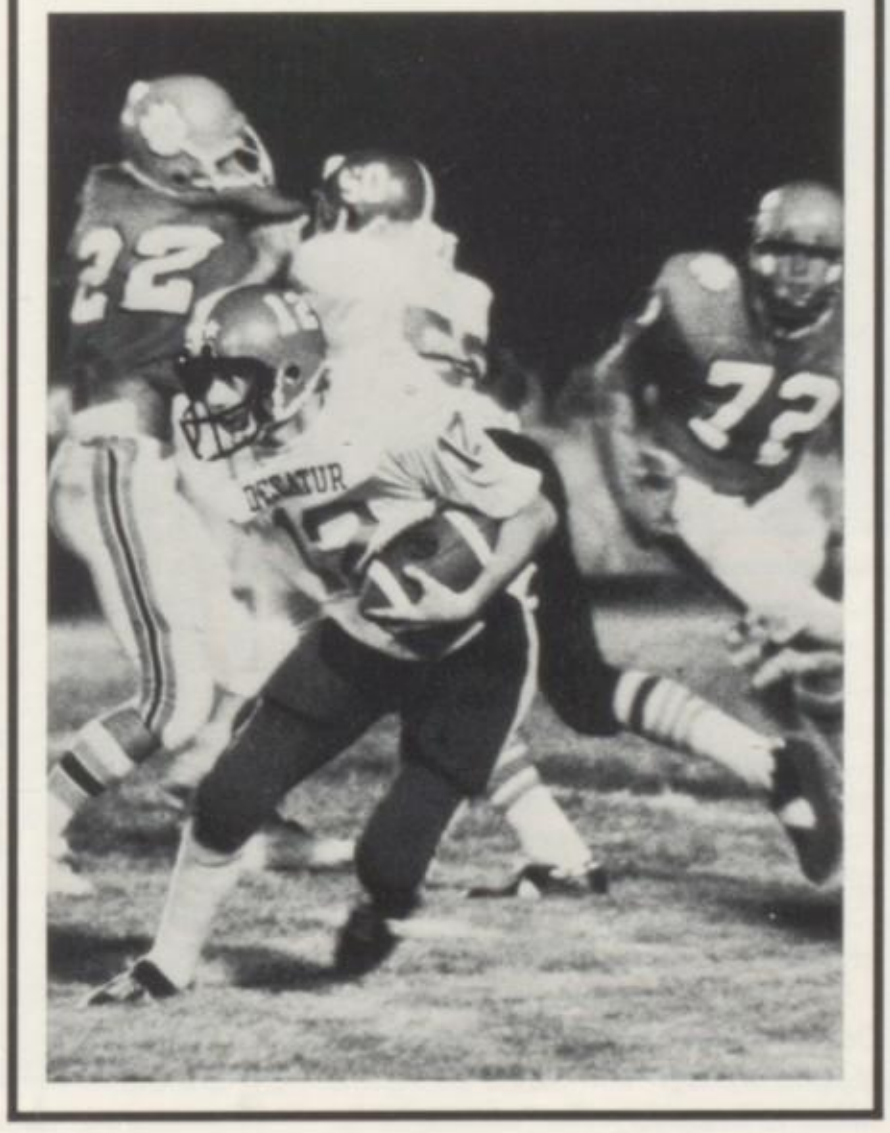
As the final period ticked away, Decatur was hanging on to a 6-0 lead, thanks to the reception of a 1-yard pass into the endzone by Jay Roberson in the third quarter. Decatur appeared to be heading for their second triumph of the season. The Raiders were trying to run the clock out when, at the Athens 22, quarterback Robert Wolter mishandled the snap from center. Athens fell on the loose ball at the 26 and suddenly came alive. The Eagles winged their way 74 yards in twelve plays for a touchdown, with the extra-point attempt successful.

Decatur vs. Grissom
7-19

Injuries and illnesses plagued Decatur throughout the game. Even with this major setback, the Raider defense kept the score within winning distance.

The Grissom Tigers, being too big and too fast, made the first points in the game. The rest of the first half Decatur's defense toughened, keeping Grissom from scoring.

After halftime Grissom managed to score again but the Raiders fought back. Robert Wolter ran 22 yards and then passed to Fred Clemmons for Decatur's only seven points. In the last four minutes of the game Grissom, angered by the Big Red TD, faked a punt, which led to the final score.



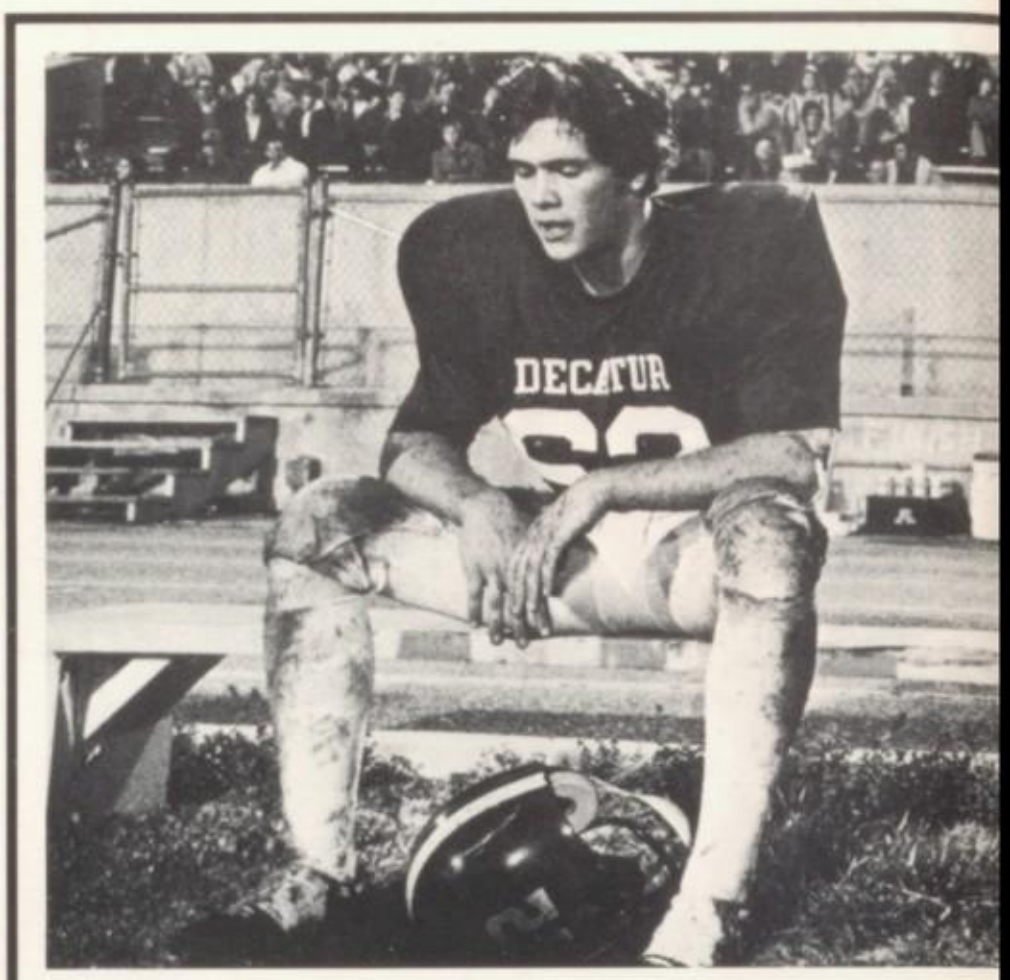
Decatur vs. Brewer
30-8

We knew a big victory was waiting and we found it at the Decatur vs. Brewer game. Leading the Raider pack to victory was Fred Clemmons with 110 yards on 9 carries. Clemmons made our first TD with a dazzling 72-yard run.

Greg Parker recovered a Brewer fumble setting up Jay Roberson for Decatur's second TD. Our 2-points conversion also failed giving us a 12-0 lead. Parker recovered another fumble leading to our third TD. With two seconds left in the first half, Robert Wolter threw the ball to Darrell Sanford waiting in the end-zone for yet another DHS score.

In the second half of the game the mighty Red Raiders continued showing their talent. The Raiders' final two touchdowns were credited to the skill of Ken Looney and Eugene Yarbrough. Ken completed a 56-yard pass from Wolter while Eugene carried an end reverse five yards into the endzone.

The only chance Brewer had to score was with five seconds left in the third quarter. Their 2-point conversion was good, but this was not nearly enough to conquer the Raiders. The Raiders went home victoriously after wiping out the Patriots, 30-8.



Decatur vs. Huntsville
6-27

The unusual defeat at Decatur's Homecoming game was an upset to all. Even though DHS scored first, five fumbles proved costly to the Raider team. With the combined effort of the whole team, Fred Clemmons was able to run the ball into the endzone and make the only Big Red points.

Huntsville controlled the remainder of the game as Decatur made too many crucial mistakes. The ball slipped through our hands giving the Panthers the honor to overpower the Raiders, 27-6.

Decatur vs. Scottsboro 0-21

The Raider team traveled all the way to Scottsboro only to find a defeat. Even though the Scotties scored in the first quarter, Decatur's defense was displayed throughout the first half and third quarter. Fumbles by DHS and interceptions by Scottsboro filled the fourth quarter, allowing the Wildcats to score two more touchdowns. The closest the mighty Raiders came to the endzone was in the last minutes of the game. Decatur pounded its way to the 1-yard line but Scottsboro held us back and ran out the clock for their 21-0 victory.

Decatur vs. Coffee 6-22

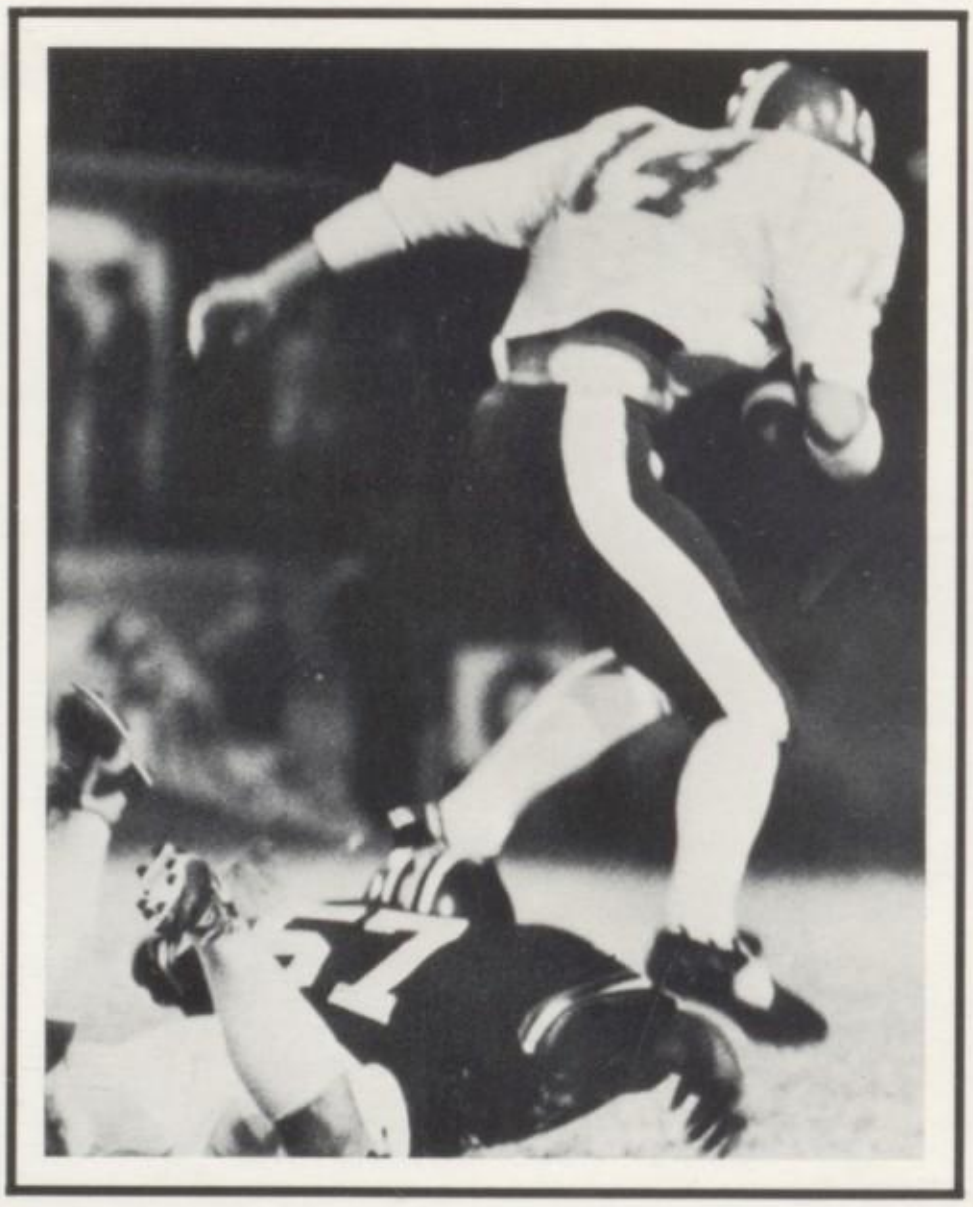
Miserable described both the weather and the performance of the Raider team at Ogle Stadium. The game was full of fumbles on the Raider side.

The game started so sweetly when Ken Looney caught Coffee's first punt and ran 30 yards. Seven plays later — all compliments of seniors Larry Kennedy and Jay Roberson — Decatur scored. Our 2-point conversion was no good. The sweet turned bitter as Coffee led the rest of the game. After Coffee gained possession of our first fumble, the remainder of the scoring was left to the Yellowjackets. The score ran up another three points as they kicked a field goal. Their next two touchdowns seemed to be re-runs of the first. In spite of the 22-6 loss in pouring rain, the Raider's spirits were not dampened.

Decatur vs. Johnson 8-13

The Raider Halloween was not too happy this year. In the first seconds of the game, Johnson managed to slip through the Raider defense and the scoreboard read Johnson 7, DHS 0. The score remained the same throughout the quarter. Our defensive talents were shown off during the second quarter when Scott Snider recovered a fumble and Russell Lee intercepted a pass to prevent another Jaguar score.

During the second half of the game, Johnson threatened to score again but Greg Parker, Frank Sivley and David Taylor said NO! Tom Wright grabbed up a Jaguar fumble on the 31 and the Raiders started their only TD drive. Even though DHS was penalized five yards, Wolter promptly ran the ball back to the 13 where Fred Clemmons dashed around the end for the score. Our only 2-point conversion was made by a pass to Barry Reding by Wolter. But the Jaguars weren't finished yet. With just two minutes left of play, they passed to add yet another six points to their total for the evening.



Decatur vs. Austin 15-14

The Austin Black Bears haven't tasted victory over the Decatur Red Raiders since 1973 and this year things didn't change. The Raiders once again claimed the city bragging rights.

The game started on an enthusiastic note until six minutes left in the first quarter when Austin scored. Although the Big Red was hot, the Black Bears were lucky and made another seven points. The heat turned to fire as DHS "showed off" their talents the rest of the game. Jay Roberson, Larry Kennedy, and Fred Clemmons burned the field for 51 yards, leading the Raiders into scoring territory. Kennedy pushed his way through the last few yards to give DHS their first TD. The score stood at 14-6 at halftime.

The third quarter was strictly a defensive battle but the mighty Red Raiders dominated the fourth quarter. Decatur, unable to pick up a first down, punted and Scott Snider jumped on the ball at Austin's 1-yard line. Austin gained two yards before their attempted pass was deflected by Greg Parker on the reception end at Austin's 20. The Raiders were fired up as Jay Roberson ran 11 yards for a DHS touchdown. Our 2-point conversion was not good and the score blared 14-12. The Black Bears punted and Decatur started the drive at the 20 with only 2:46 left to play. Decatur's Russell Lee, quarterbacking for the first time, went to work from there. Lee, completing three passes, moved his team to the Austin 10 with 18 seconds left. After two unsuccessful passing attempts, it looked as if Austin's victory was secure. With two seconds left on the clock, Darren Osborn was sent to the field for the field goal attempt. The triumphant hugs and cheers seconds later told the story. Osborn's 27-yard field goal was successful, handing the mighty Red Raiders a memorable 15-14 win.

The Lady Raiders were most successful this year. Their second consecutive season of twenty wins achieved many goals set for both this season and for the establishment of the program. These accomplishments brought recognition not only from peers and community, but also from athletic programs statewide. Two of these important goals were winning the TVC Tournament and Tuscaloosa Invitational Tournament. The Lady Raiders also placed second in the Regional Tournament and recorded three straight wins over powerful arch-rival, Austin. Leadership, dedication, hard work, and this year's accomplishments have helped to establish a winning tradition for the Lady Raiders at Decatur High School.

Senior Susan Neville's outstanding record at DHS is worthy of special recognition. She holds all scoring records for DHS with 1572 points over four years. She started in 94 consecutive games, averaging 17 points per game over four years. We salute Susan for her contributions to athletics for women.

Girls' Volleyball Team

For the Lady Raiders, this season proved to be very rewarding, as the girls emerged victorious twenty-four times, which is an accomplishment in anyone's league. After placing second in both the Decatur Classic and the TVC Tournament, the girls were finally able to gain the title of County Champions for the second consecutive year. In addition to these feats, the Lady Raiders soundly defeated their cross-town competitors, Austin, four times. After long hours of practice and diligent training, team members were also able to maintain high academic standards, thus proving to be a credit to their school.

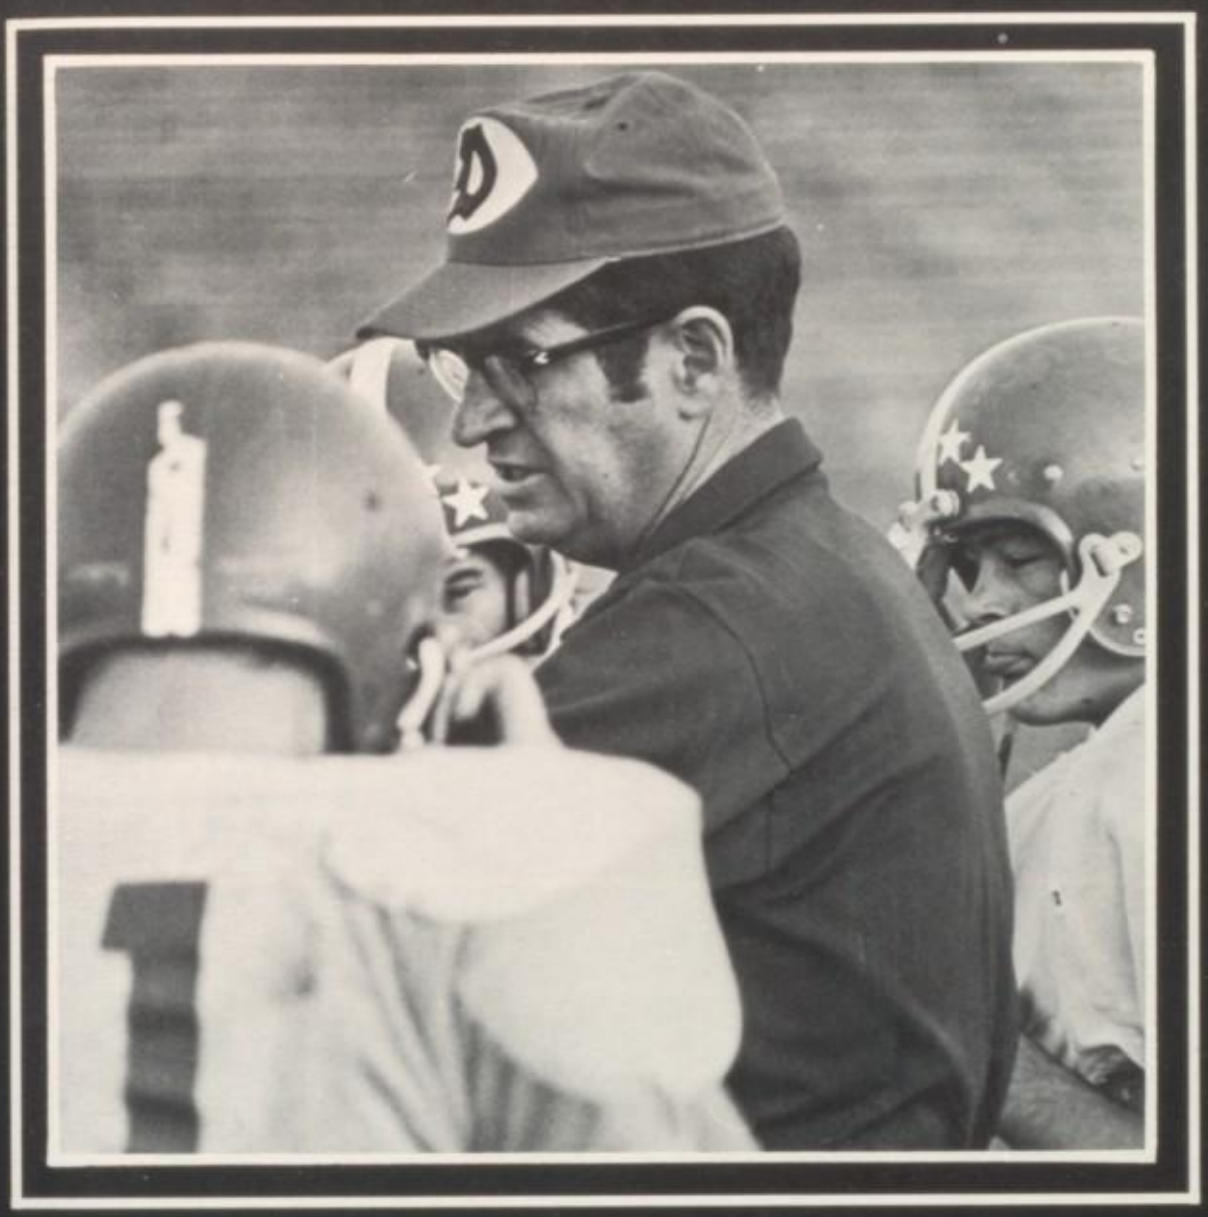
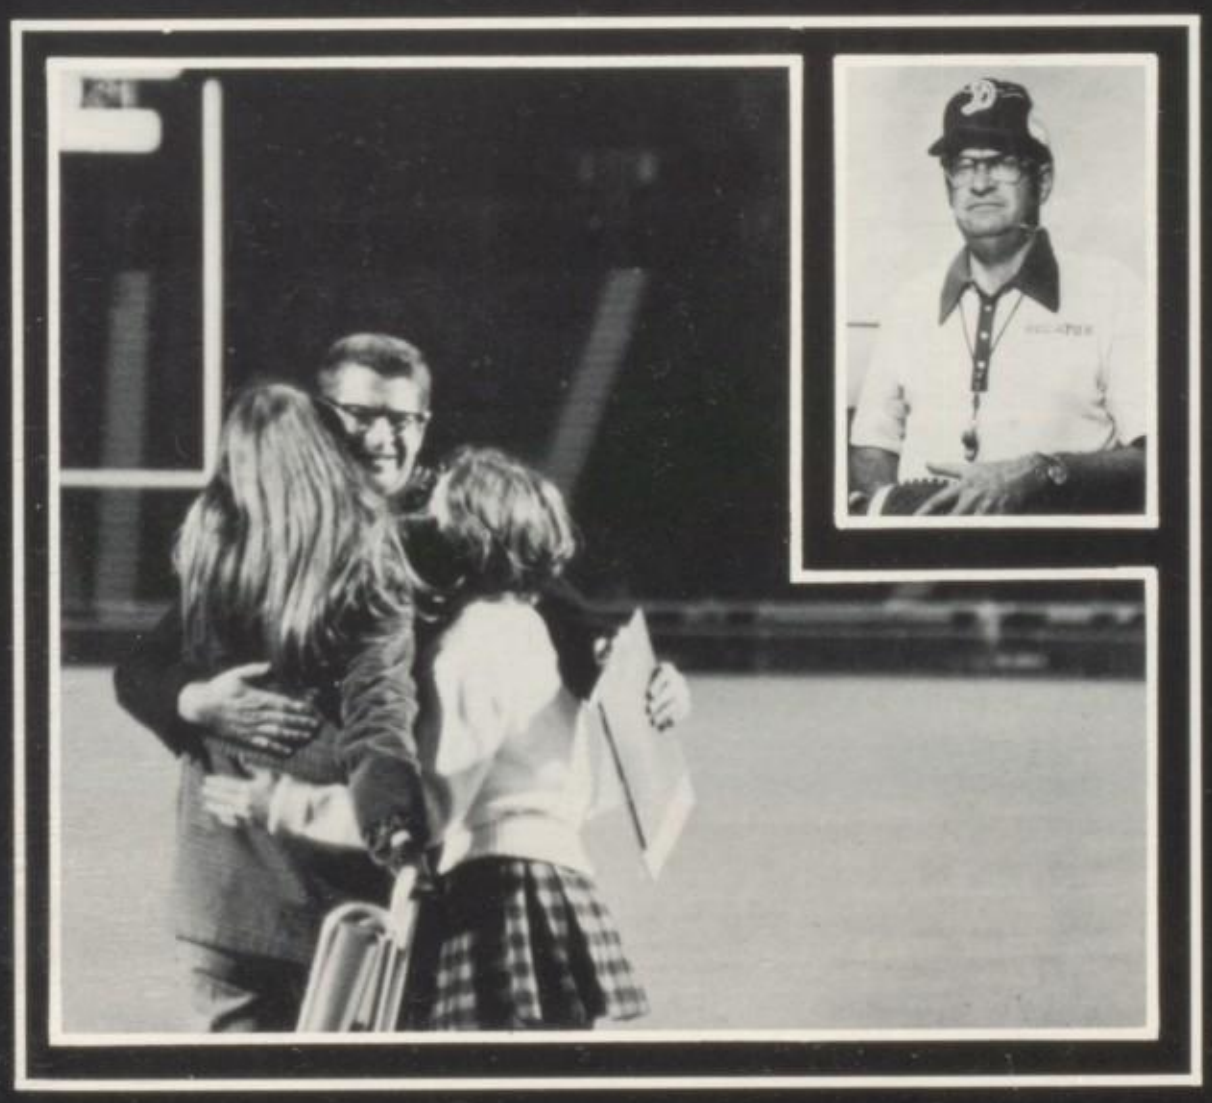
Salute — Coach Earl O. Webb





Our first reaction was one of shock upon hearing of Coach Earl Webb's retirement as Head Football Coach at Decatur High. After the shock subsided, the reflecting began.

Coach Webb was coaching at Lanett when he was offered the job at Decatur. He recalls having no trouble in deciding to accept the job. Coach Shorty Ogle was then the Athletic Director at Decatur and had established one of the grandest traditions in the state. Unfortunately, this tradition had fallen on hard times when Webb arrived.

Webb's first two seasons produced unfavorable records. In 1967 the Raiders were 4-5-1, and the following year, slumped to 2-7-1, Webb's worst season, record-wise, in twenty-nine years.

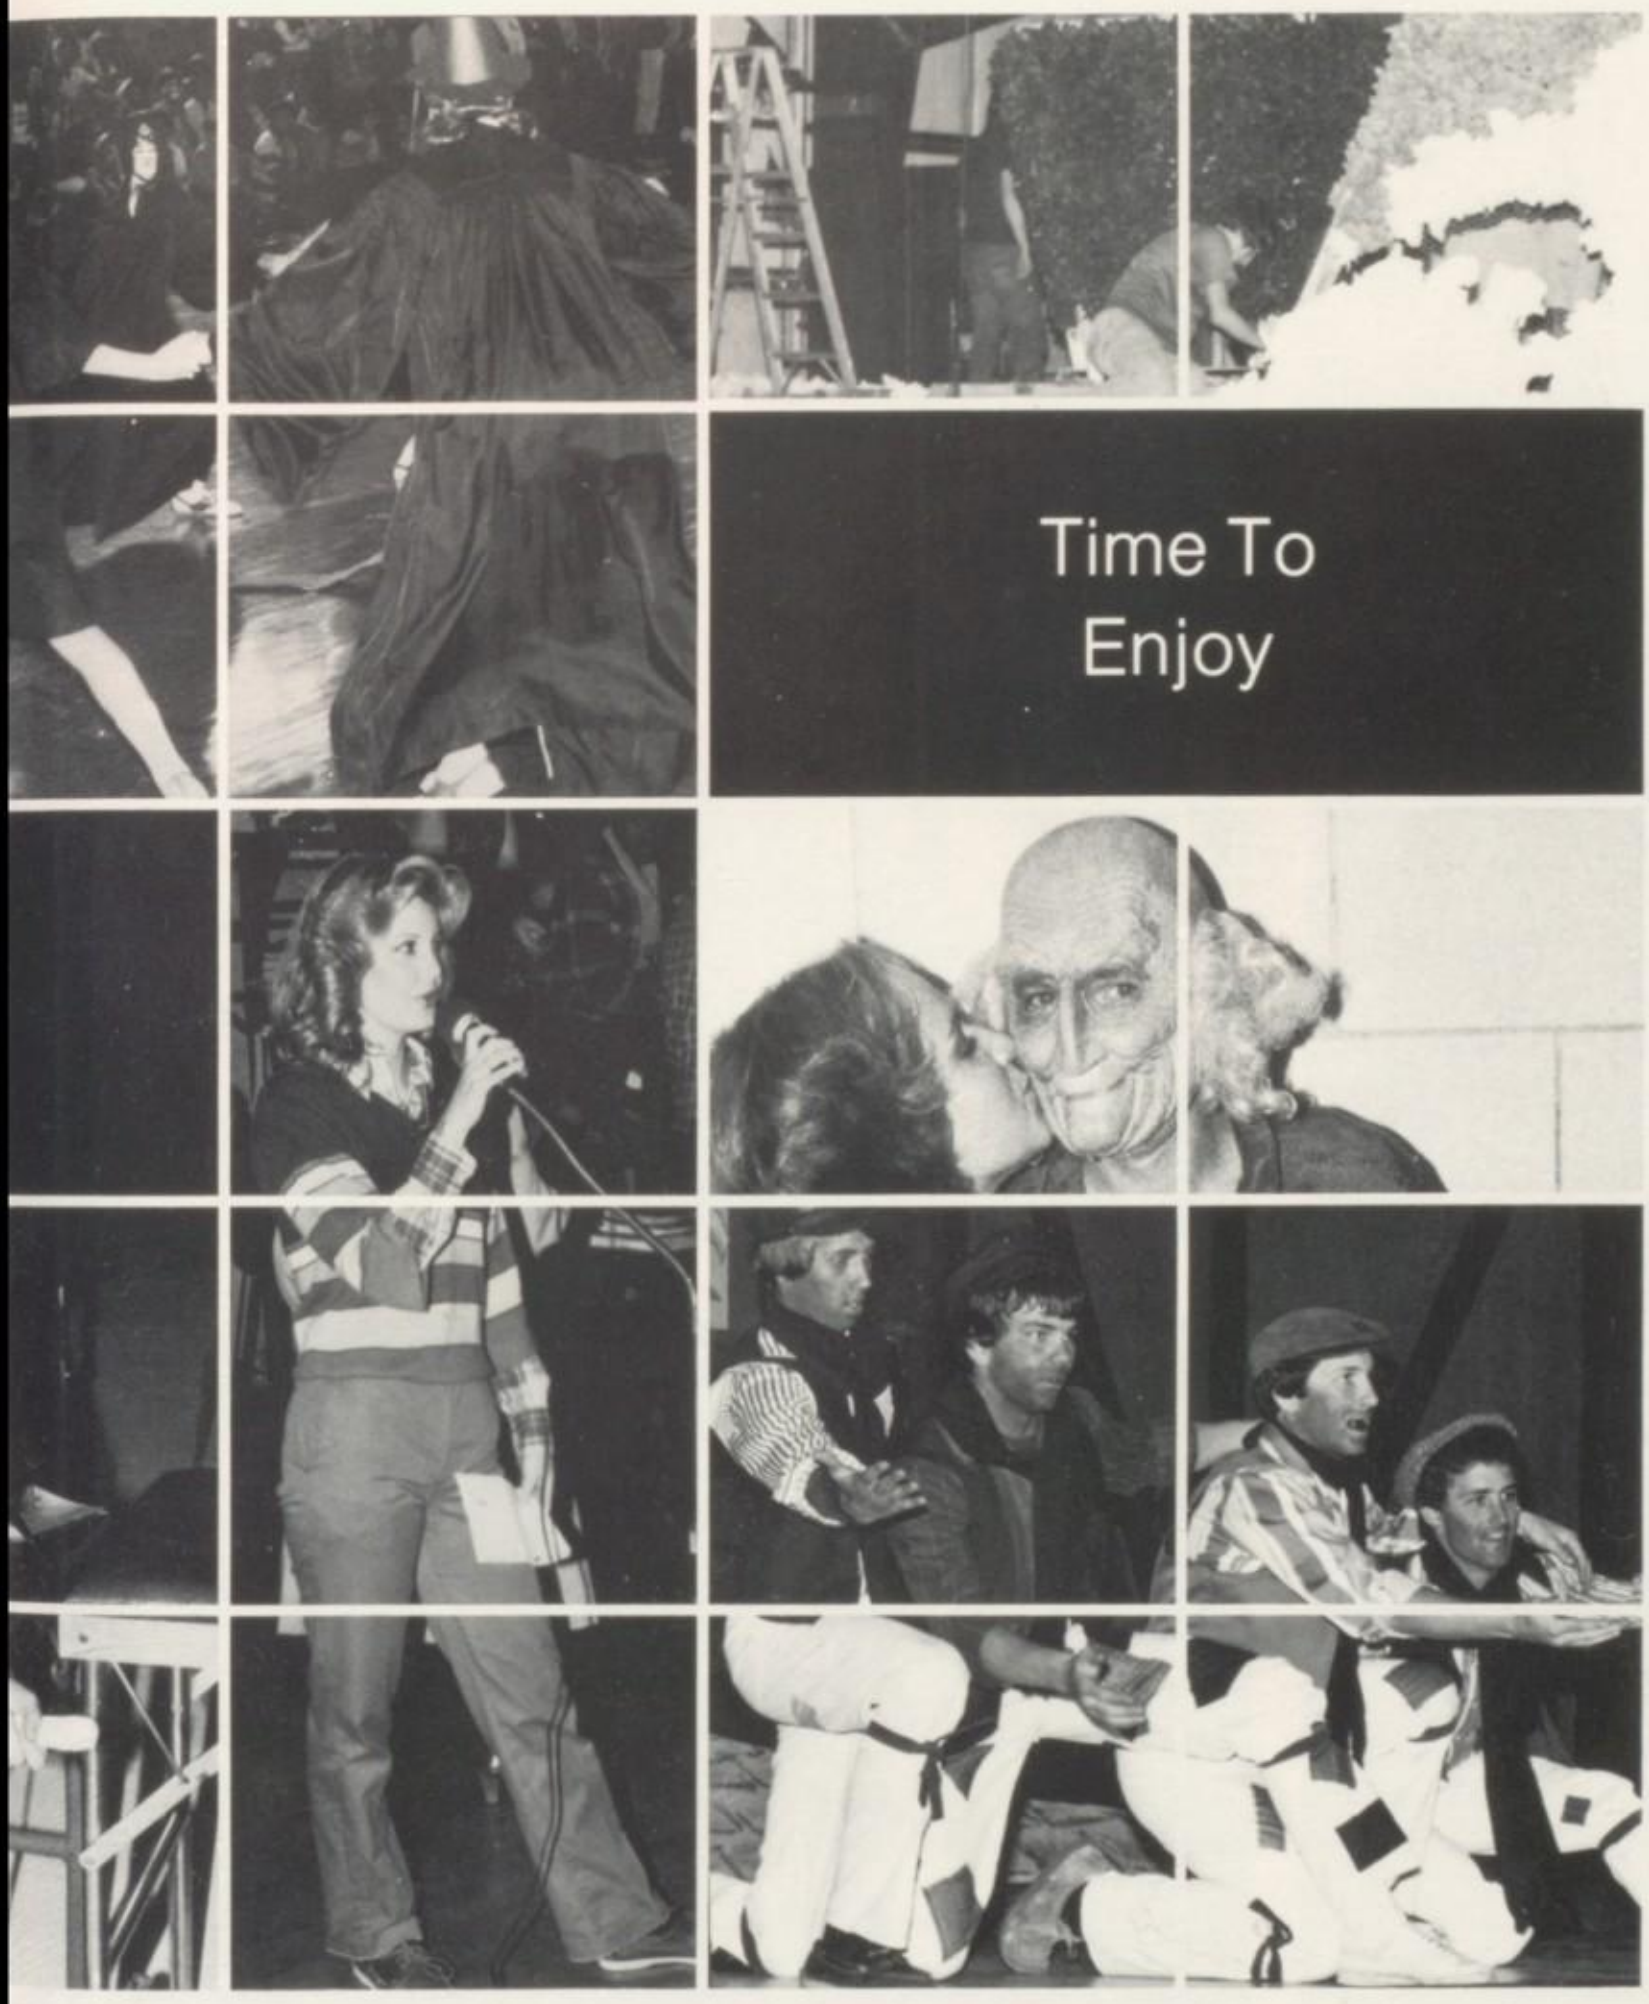
Webb played "many" 10th and 11th graders that year, and when they moved up the next year, in 1969, the Raiders put together a 9-1 record. The following year, the Raiders went 9-1 again, and made the first round of the state 4-A playoffs. The most memorable season in Decatur's football history was probably 1971. The Raiders went 12-1, a startling record that included a 4-A state championship.

A dedication for Coach Webb would not be complete without mentioning cross-town rivals, Austin's Black Bears. In his fourteen years at Decatur, Webb won an amazing twelve games against the Bears. However, it appeared in early November of this season that the Black Bears might chalk up their third decision over Webb.

Traditionally, Webb has always elected to go for the 2-point conversion. With with 18 seconds left in the Decatur-Austin game this year, Webb fooled the Bears. Darren Osborn was sent in to attempt the game-winning field goal. Osborn's kick sailed through the goalpost and Decatur won 15-14.

Even though the players didn't realize it, they were giving Coach Webb the sweetest going away present he could ask for. "I have to admit that was the best one of 'em all against Austin," remarked Webb.

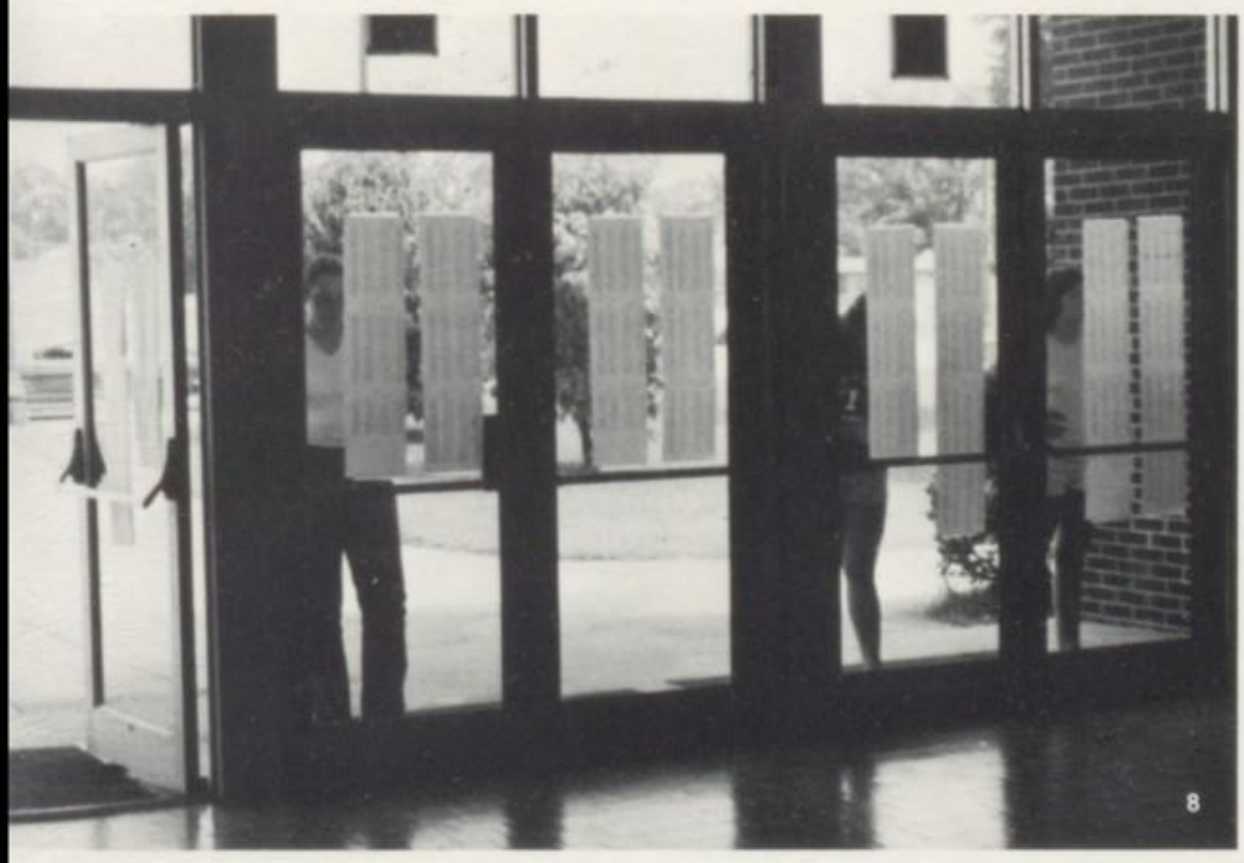
Coach Webb's departure will be observed with a sense of sadness among Decatur fans, but especially among those of us here at Decatur High. Coach Earl Webb will always be looked upon with admiration and respect.



Time To Enjoy

THE TIMES OF YOUR LIFE . . .

Will we remember them? The hot, almost unbearable heat of August when we tried to conform to a new schedule that included school. We started that first day as Freshmen with many unanswered questions. "Would we be able to find our classes?" "Would we have any classes with our friends?" "Would we have nice teachers?" "Would the Seniors like us?" We survived that first day and then went home answering most of those questions "yes."



2. Pat Busing 3. Chandra Garth 4. Carla Atchley, Lori Cox, Mary Ellen Eubanks and Vickie Foster 5. Mrs. Hugh Looney 6. Beth Crow 7. Class of 1982.

1. Richard Ruskel of the Alabama Shakespeare Festival. 2. Anita Hatcher, Quincy Suggs, Sue McKenzie and Alicia Jackson. 3. Varsity Cheerleaders during Halloween pep rally. 4. Fran Poole. 5. Ken Looney. 6. Trey Naylor.

Will we remember autumn's arrival? Every Friday we looked forward to the game and rushed to the gym for the spirited pep rally. Later that night we gathered at the game to cheer for the Big Red and then hurried to McDonalds to enjoy being with all our friends.

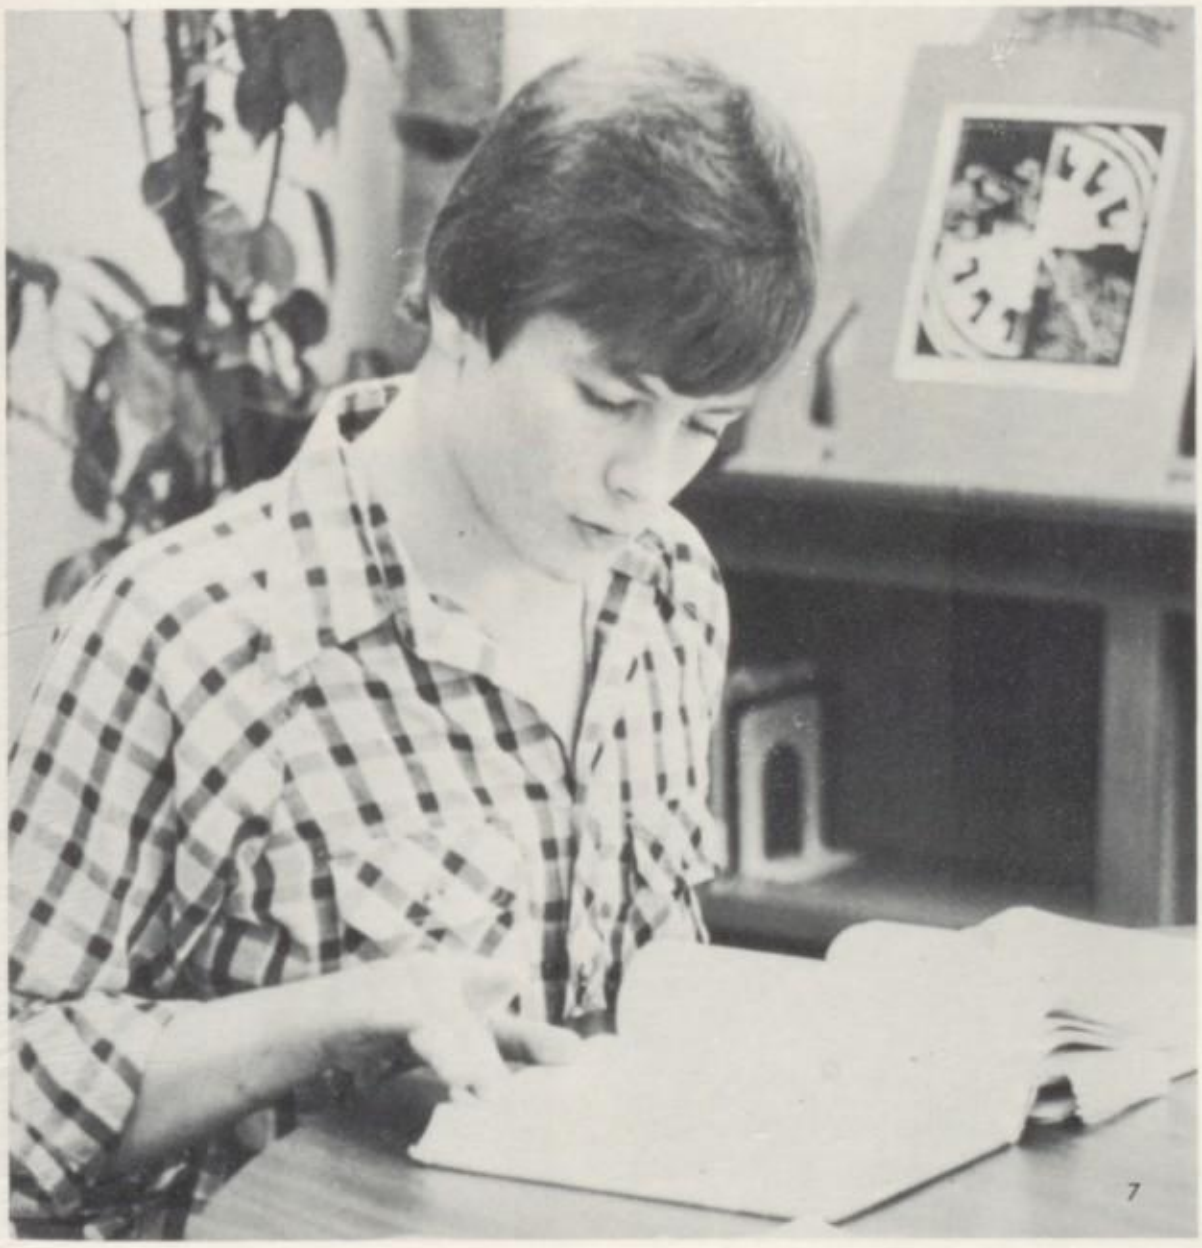
Will we remember how we studied the works of Shakespeare? This year his works "came alive" for us when we were entertained by the Alabama Shakespeare Festival's road production of **THE TWO GENTLEMEN OF VERONA.** After the workshop, which was presented by one of the leading actors, we had a better understanding of the genius and wit of the ageless bard.

Will we remember Homecoming 1980? We packed so many activities into one unforgettable week. After we decided on a theme for the float, designed it, and raised the money to build it, we started the transformation of crepe paper and chicken wire into a new creation. All week we convinced our teachers to not give any homework so we could work with our friends for a common goal — to be the best class. The climax of the week came on Friday as the Homecoming Court was presented during the pep rally followed by our traditional Homecoming parade.

Will we remember that night at the game? We saw most of our peers and many former graduates who had come home for the important occasion. We briefly shared the important happenings of DHS while they told us of their life since graduation. Together during halftime, we listened with anticipation to the results of the float competition. The Seniors, who were winners, led the celebration at the Homecoming Dance.

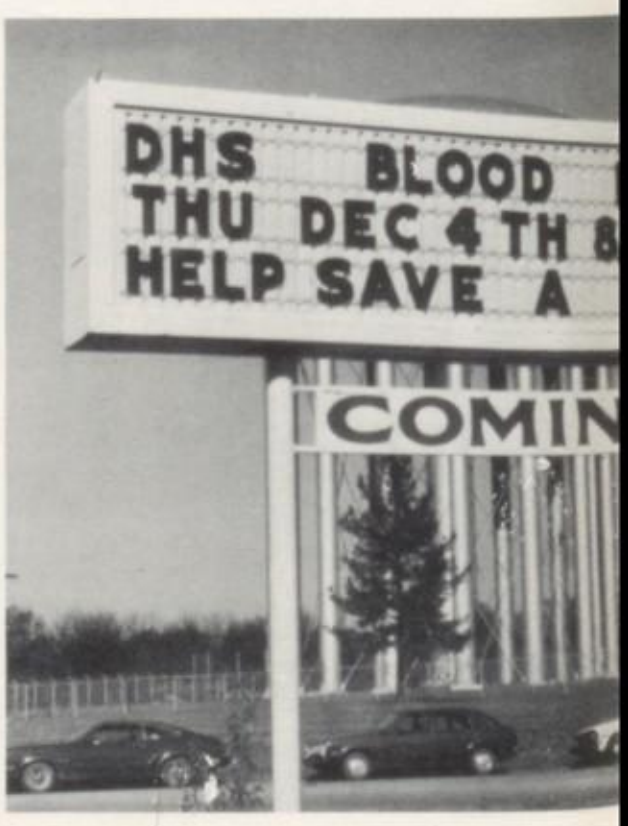
1. "Whip 'em Good," 1st place, Senior Class. 2. "Punch the Panthers," 3rd place; Sophomore Class. 3. Tom Counts and Byrd Johnson. 4. "Blast the Panthers," 2nd place; Junior Class. 5. "Pierce the Panthers," 4th place; Freshman Class. 6. Heidi Wilson and Tina Stinson. 8. DHS students watch the Homecoming parade.

2. Susan Neville. 3. Varsity basketball game. 4. Denise Nix and Carol Gresham. 6. Himes Davis. 7. Danny Hill



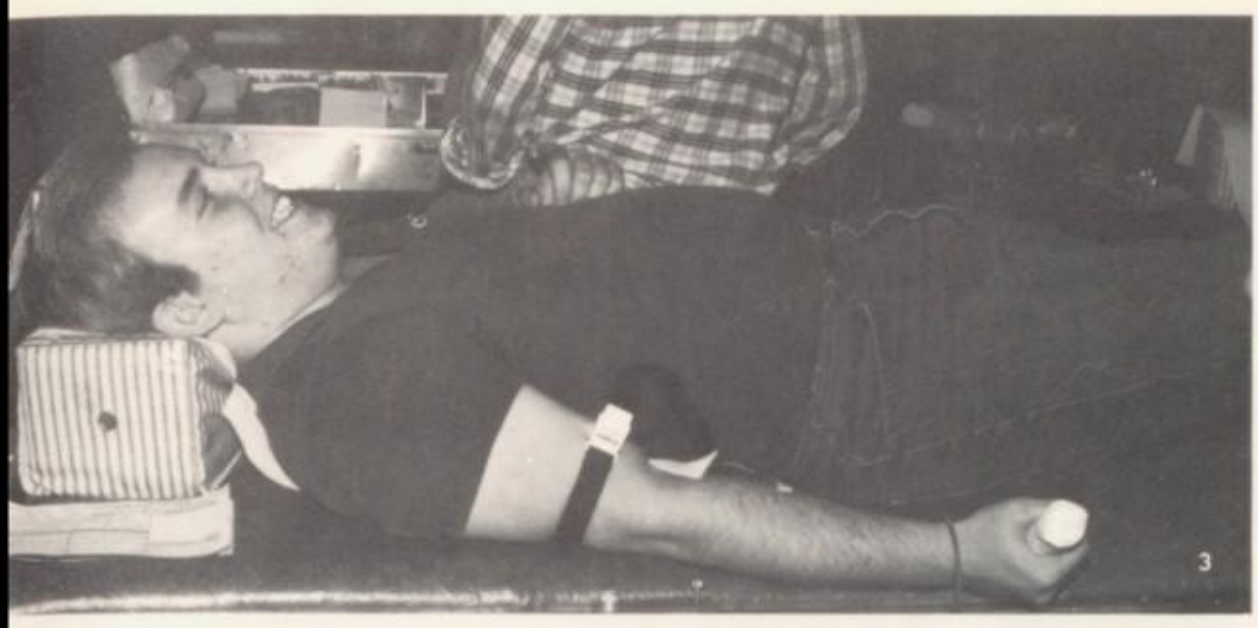
Will we remember the times of winter? In early December we began looking forward to Christmas, only to have our dreams interrupted too soon when we had to start cramming for exams. During the all too brief break between semesters, we had time to relax and enjoy our free time. When we returned to school, our schedules now included basketball games, new assignments, and club projects. As Juniors, we were busy raising money selling magazines and felt extremely proud when we received our class rings.

Will we remember how hard we worked to have a successful blood drive? First, we donated our pennies for the Student Council's penny drop. Each class raced to get hundreds of pennies, rather than dollar bills in their designated container. Then, the students were asked to fill out as many donor cards as possible. Clubs challenged one another and classes competed to encourage the card collection from volunteers. Next, we reached out to the community by telephoning individuals, writing local businesses, and visiting homes. After being assigned our duty for December 4th, each group met to organize the jobs we would face on Blood Drive Day.



1. Rebecca Stover and Sidney McAnnally 2. Mary Allen Hamilton and Andrea Tucker 3. Rozlynn Garrison 5. Mike Brown 6. Amy Terry 8. Jenny Lee Kirby.

1. Roxanne Atkins and Jeff Peltier 2. Tim Bounds 3. Dwayne Boldin 4. Scott Atchison 5. Jeanne Naylor 6. Becky Hill 7. Mrs. Mary Jean Meadows 8. Greg Smith, Tom Wright, Russell Lee 9. Donny Sandlin and Woody Lawrence



Will we remember what we did at the Blood Drive? We were given responsibilities, directed each other, welcomed donors, and helped the nurses. Most of all, we worked together for a worthwhile cause.

Will we remember how we felt at the end of the day? As a result of the support of the community and the hard work of the Red Cross, and the leadership of Rebecca Stover, Keith Bain, and Mrs. Rape, we surpassed our goal by collecting 1027 pints. Needless to say, we were ecstatic!

Will we remember springtime at D.H.S.? Spring 1980 was highlighted by our production of **MY FAIR LADY**. For months, many activities contributed to the success of the performance. We painted backdrops, made costumes, and built sets. At rehearsals, the orchestra, dancers, and actors practiced to perfect their talents. As all aspects of the program began to come together, we knew that opening night would soon become a reality.

1. Debbie Prewitt and Mrs. George Godwin 2. Heidi Wilson, Doug Peek, Teri Warth, John Gratwick, Brucie Dunn, Bryant Greenwell, Tina Stinson, John Underwood, Wade Littrell, Kim White, Stanley Burt, Louise Copeland, Ken Looney, Debbie Prewitt, Greg Smith, Cindy Nabors, Bobby Coffee, Amanda Brownlee, David Cox, Jeanne Naylor, Russell Lee 3. Karen Crane 4. John Templeton 5. Bob Rankin and Lee Miles 6. Sidney McAnnally and Mark Stevens 7. Bob Rankin, Lee Miles and Karen Crane.

1. Al Wiley, Bill Sims, Mike Merino, and David Reed 3. Bryant Greenwell 4. John Floyd 5. Jill McGowin, Kim White, Julie Gragg 6. Lee Miles 7. John Templeton 8. Missie Atkins, Susan Godwin, Cindy Nabors, Laura Bain, Lee Crane, Amanda Brownlee, Sidney McAnnally, Mark Stevens, John Floyd, Keith Bain, Craig Fincher

Will we remember the excitement of the opening night? The atmosphere was electric. Our nervousness was outweighed by the new thrill of this experience. As the curtain opened, we stepped into the spotlight and our performance was given life. Each scene brought us more confidence in our new roles. For the first time, we knew what it was like to entertain. At the end of each performance, the audience responded with a standing ovation. We took our bows and then looked at each other in disbelief, realizing how hard work and dedication had produced "new stars."

Will we remember, as the days and months of the calendar pass, the times of our lives at DHS? Will we remember the good times and the bad times, the ups and downs, the laughter and tears or the frustrations and accomplishments of our high school years? Will we remember our first day as Freshmen or our last day as Seniors?

Will we remember our favorite teacher or our most despised subject? Will we remember the shortest holiday or the longest exam?

As we tear pages from our calendar and wonder where in the world these past nine months have gone, let us never forget the times that were so special to us at DHS.

1. Britt Sexton 2. Sheri Sims and Jay Roberson 3. Susan Hosey 4. William Hargrove 5. Denise Overstreet, Melissa Coleman, Kelly Shields, Caye Johnson, Vincent Toney, Jenny Lee 6. Portia Wynn, Crystal Baldwin, Connie Jackson, Pat Anderson, Angela Cox, Robin Turner, and Jenna Miles.
